OFFICE OF INVESTIGATIONS

UNITED STATES INTERNATIONAL TRADE COMMISSION

WASHINGTON, DC 20436

October 28, 2021

To Whom It May Concern:

This questionnaire pertains to polyethylene terephthalate resin ("PET resin"). The United States International Trade Commission is investigating PET resin under the provisions of Subtitle C of Title VII of the Tariff Act of 1930.

In this proceeding, the Commission must determine whether revocation of the countervailing and antidumping duty orders on PET resin from Canada, China, India, and Oman would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. The Commission has posted its notice of this proceeding (attached) on its website (www.usitc.gov) and published it in the *Federal Register* (86 FR 58101, October 20, 2021)

The business proprietary information you supply in this questionnaire or in connection therewith will be so treated by the Commission and will not be disclosed except as may be required by law. Your response will be consolidated with the responses of other firms and will form much of the statistical base for the Commission's determination. The questions in the questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible.

As noted on the last page of the questionnaire, responding firms should submit their questionnaire responses electronically in MS Word format. The submission of questionnaire responses in the MS Word format allows the Commission to electronically extract data from questionnaires and thus, compile, assess, and analyze submitted data more efficiently and promptly. Furthermore, the electronic submission of questionnaires completed in MS Word facilitates the Commission's ability to produce documents that comply with section 508 of the Rehabilitation Act of 1973.

Please return the completed questionnaire to the Commission by no later than **November 29, 2021**. Please direct questions regarding the questionnaire and correspondence to Keysha Martinez (keysha.martinez@usitc.gov, 202-205-2136) at the U.S. International Trade Commission, 500 E Street, SW, Washington, D.C. 20436.

Sincerely,

Nannette Christ
Director
