

UNITED STATES INTERNATIONAL TRADE COMMISSION
Washington, D.C.

In the Matter of

**CERTAIN CRAWLER CRANES AND
COMPONENTS THEREOF**

Inv. No. 337-TA-887

Notice

On this date, the administrative law judge issued the Final Initial Determination (“ID”) on the question of violation of section 337, and the Recommended Determination (“RD”) concerning the remedy that may be appropriate in the event that the Commission ultimately finds a violation of section 337. A public version of the ID and the RD will be available within 30 days.

As explained in the ID, the administrative law judge determined that a violation of section 337 has occurred because the complainants have shown that certain accused products infringe claims of U.S. Patent No. 7,546,928, and have shown misappropriation of certain asserted trade secrets.
