NetHope, Microsoft

Pakistan Flooding - Microsoft,  
NetHope

Chile Earthquake - World Vision

# TECHSOUP.ORG

**CZECH REPUBLIC**

**ROMANIA**

**IS COMPUTER  
EXPORT SAFE?**

# REFURBISHED = SAFE

Wipe hard drive  
and clean

Test and  
standardize  
components

Label product and  
create inventory  
list

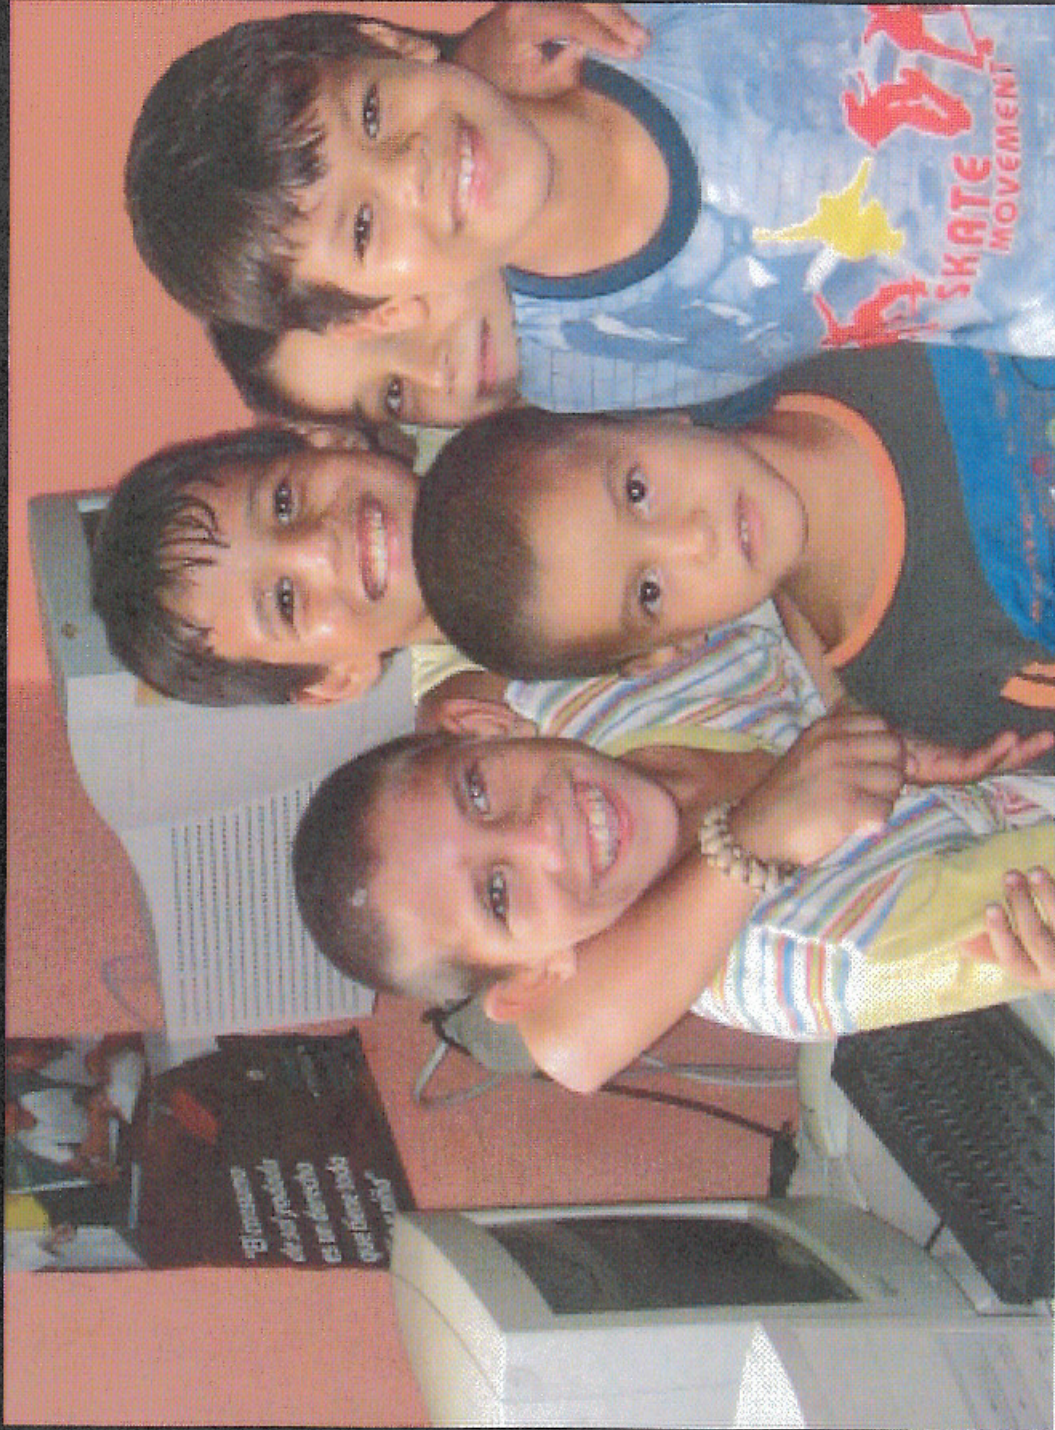

Install licensed  
software

# Recommendations:

Computers should be refurbished to a set standard before they are exported.

Refurbished computers should have their own Harmonized Tariff Code.
