

Ms. Lyn M. Schlitt  
Director, Office of External Relations  
U. S. International Trade Commission  
500 E. Street, SW  
Washington, D.C. 20436

Dear Ms. Schlitt:

Acting United States Trade Representative Demetrios Marantis has directed me to inform the United States International Trade Commission (“the Commission”) of certain clarifications to the list in the document attached to Ambassador Kirk’s letter request of March 11, 2013.

Certain rules of origin in the attachment to Ambassador Kirk’s letter use the codes “.aa,” “.bb” etc., to designate tariff numbers beyond the six-digit level. For those proposed changes that use such designations, the Commission is requested to use the attached correlation table to identify the relevant tariff lines for Canada and Mexico.

The Commission’s assistance in this matter is greatly appreciated.

Sincerely,

John Melle  
Assistant U.S. Trade Representative  
for the Western Hemisphere
