Investigation No. 731-TA-740 (Review)

SODIUM AZIDE FROM JAPAN

AGENCY: United States International Trade Commission.

ACTION: Termination of five-year review.

SUMMARY: The subject five-year review was initiated in December 2001 to determine whether termination of the suspended antidumping duty investigation on sodium azide from Japan would be likely to lead to continuation or recurrence of dumping and of material injury to a domestic industry. On January 11, 2002, the Department of Commerce published notice that it was terminating the suspended investigation effective January 7, 2002 “[b]ecause no domestic interested party responded to the notice of initiation by the applicable deadline” (67 FR 1438-39). Accordingly, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)), the subject review is terminated.

EFFECTIVE DATE: January 7, 2002.
