DETERMINATION GRANTING COMPLAINANT'S MOTION FOR SUMMARY
DETERMINATION REGARDING IMPORTATION**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 26) granting complainant's motion for summary determination regarding importation in the above-captioned investigation.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on May 4, 2011, based on a complaint filed on behalf of Kaneka Corporation of Osaka, Japan ("Kaneka"). 76 *Fed. Reg.* 25373 (May 4, 2011). The complaint alleges violations of Section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the sale for importation, importation, or sale after importation of certain polyimide films, products containing same, and related methods by reason of infringement of one or more of claims 1-3 and 9-10 of U.S. Patent No. 6,264,866; claims 1-6 of the U.S. Patent No. 6,746,639; claims 1-5 of U.S. Patent No. 7,018,704; and claims 1-20 of U.S. Patent No. 7,691,961. The Commission's notice of investigation named as respondents SKC Kolon PI, Inc. of Gyeonggi-do, South Korea and SKC Corporation of Covington, Georgia ("collectively, "SKC").

On January 12, 2012, Kaneka filed a motion for summary determination that it satisfies the economic prong of the domestic industry requirement and that it satisfies the importation

requirement. On January 18, 2012 SKC filed a response, opposing the motion with respect to the economic prong of the domestic industry requirement but stipulating that it imports certain products into the United States. On January 30, 2012, the administrative law judge issued Order No. 26, granting summary determination with respect to the importation of products for which a stipulation exists. However, the ALJ denied the motion for summary determination for satisfaction of the economic prong of the domestic industry requirement. Only that portion of Order No. 26 granting summary determination as to importation constitutes an initial determination. No petitions for review were filed.

After considering the ID and the relevant portions of the record, the Commission has determined not to review the subject ID.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.
