Investigation No. 337-TA-817

**NOTICE OF COMMISSION DETERMINATION NOT TO REVIEW AN INITIAL
DETERMINATION GRANTING CHRIMAR SYSTEMS, INC. AND HEWLETT-
PACKARD CO.'S JOINT MOTION TO TERMINATE RESPONDENT 3COM
CORPORATION**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 5) of the presiding administrative law judge ("ALJ") granting a joint motion by Complainant and Respondent Hewlett-Packard Co. to terminate the investigation for Respondent 3Com Corporation.

FOR FURTHER INFORMATION CONTACT: Amanda S. Pitcher, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone (202) 205-2737. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

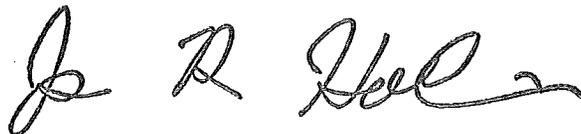

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on December 7, 2011, based on a complaint filed by ChriMar Systems, Inc. d/b/a DMS Technologies (“ChriMar”) of Farmington Hills, Michigan, alleging a violation of section 337 in the importation into the United States, the sale for importation and the sale within the United States after importation of certain communication equipment, components thereof, and products containing the same, including power over ethernet telephones, switches, wireless access points, routers and other devices used in LANs, and cameras. 76 *Fed. Reg.* 76,436-37 (Dec. 7, 2011). The complaint alleges infringement of certain claims of U.S. Patent No. 7,457,250 (“the ’250 patent”). The amended complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The named respondents are Cisco Systems, Inc. of San Jose, California, Cisco Consumer Products LLC of Irvine, California, Cisco Systems International B.V. of the Netherlands, Cisco-Linksys LLC of Irvine, California; Hewlett-Packard Co. (“HP”) of Palo Alto, California; 3Com Corporation (“3Com”), of Marlborough, Massachusetts; Avaya Inc. of Basking Ridge, New Jersey; and Extreme Networks, Inc. of Santa Clara, California.

On January 13, 2012, ChriMar and HP filed a joint motion to terminate respondent 3Com from the investigation. The Commission investigative attorney and the remaining Respondents did not oppose the motion. ChriMar and HP asserted that 3Com has merged into HP and ceases to exist as a legal entity and that HP is the successor in interest.

On January 26, 2012 the ALJ issued the subject ID (Order No. 5) terminating the investigation as to 3Com. The ALJ found that good cause existed for terminating the investigation and that he was not aware of any extraordinary circumstances that would preclude granting the motion to terminate. ID at 2. None of the parties petitioned for review of the ID. The Commission has determined not to review the ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.

James R. Holbein
Secretary to the Commission

Issued: February 14, 2012
