**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on January 10, 2012, based on a complaint filed by Standard Innovation Corporation of Ottawa, ON, Canada and Standard Innovation (US) Corp. of Wilmington, Delaware (collectively, “Standard Innovation”). 77 *Fed. Reg.* 1504 (Jan. 10, 2012). The complaint alleged violations of section 337 of the Tariff Act of 1930 as amended (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of

certain kinesiotherapy devices and components thereof by reason of infringement of various claims of United States Patent Nos. 7,931,605 and D605,779 (“the ‘779 patent”). The complaint named twenty-one business entities as respondents, several of which have since been terminated from the investigation based upon consent orders. The Commission also determined not to review an ID terminating the investigation with respect to the ‘779 patent.

On August 16, 2012, Standard Innovation filed a motion pursuant to section 210.21(a)(1) of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.21(a)(1)) to terminate the investigation as to respondents Natural Contours Europe and Lelo Shanghai Trading Ltd. The Commission investigative attorney filed a response supporting the motion. No other responses to the motion were filed.

The ALJ issued the subject ID on October 1, 2012, granting the motion for termination of the investigation as to respondents Natural Contours Europe and Lelo Shanghai Trading Ltd. He found that the motion for partial termination satisfies Commission rule 210.21(a)(1) and that partial termination of the investigation was in the public interest. No party petitioned for review of the ID. The Commission has determined not to review the ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, and in sections 210.21 and 210.42(h) of the Commission’s Rules of Practice and Procedure, 19 C.F.R. §§ 210.21, 210.42(h).

By order of the Commission.
