
FOREIGN PRODUCERS'/EXPORTERS' QUESTIONNAIRE
PURE AND ALLOY MAGNESIUM FROM CANADA

Return completed questionnaire to:

UNITED STATES INTERNATIONAL TRADE COMMISSION

Office of Investigations, Room 615
500 E Street, SW, Washington, DC 20436

So as to be received by the Commission by no later than February 23, 2006

The information called for in this questionnaire is for use by the United States International Trade Commission in connection with its countervailing duty review investigations concerning pure and alloy magnesium from Canada (inv. Nos. 701-TA-309-A and B (Second Review)). The information requested in the questionnaire is requested under the authority of the Tariff Act of 1930, title VII.

Name of firm _____

Address _____

World Wide Web address _____

Has your firm produced or exported **pure magnesium or alloy magnesium** (as defined in the instruction booklet) at any time since January 1, 2000?

NO (Sign the certification below and promptly return only this page of the questionnaire to the Commission)

YES (Read the instruction booklet carefully, complete all parts of the questionnaire, sign the certification, and return the entire questionnaire to the Commission)

CERTIFICATION

I certify that the information herein supplied in response to this questionnaire is complete and correct to the best of my knowledge and belief and understand that the information submitted is subject to audit and verification by the Commission.

By signing this certification I also grant consent for the Commission, and its employees and contract personnel, to use the information provided in this questionnaire and throughout these reviews in any other import-injury investigations or reviews conducted by the Commission on the same or similar merchandise. (If you do not consent to such use, please note the certification accordingly.)

I acknowledge that information submitted in this questionnaire response and throughout these reviews may be used by the Commission, its employees, and contract personnel who are acting in the capacity of Commission employees, for developing or maintaining the records of these reviews or related proceedings for which this information is submitted, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3. I understand that all contract personnel will sign non-disclosure agreements.

PART I.--GENERAL QUESTIONS

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 30 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

I-1a. Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form.

_____ hours _____ dollars

I-1b. We are interested in any comments you may have for improving this questionnaire in general or the clarity of specific questions. Please attach such comments to your response or send them to the above address.

I-2. Provide the name and address of establishment(s) covered by this questionnaire (see page 3 of the instruction booklet for reporting guidelines). If your firm is publicly traded, please specify the stock exchange and trading symbol.

I-3. Please provide the names and addresses of the **FIVE** largest U.S. importers of your firm's pure and alloy magnesium in 2005.

I-4. In Parts II and III of this questionnaire we request a copy of your company's business plan. Does your company or any related firm have a business plan or any internal documents that describe, discuss, or analyze expected future market conditions for pure and alloy magnesium?

No Yes--Please provide the requested documents. If you are not providing the requested documents, please explain why not.

PART I.--GENERAL QUESTIONS--Continued

I-5. Does your firm or any related firm produce, have the capability to produce, or have any plans to produce pure or alloy magnesium in the United States or other countries?

- No Yes--Please name the firm(s) and country(ies) below and, if U.S. producer(s), ensure that they complete the Commission's producer questionnaire (contact **Fred Fischer (+1.202.205.3179)** for copies of that questionnaire).

I-6. Does your firm or any related firm import or have any plans to import pure or alloy magnesium into the United States?

- No Yes--Please name the firm(s) below and ensure that they complete the Commission's importer questionnaire (contact **Fred Fischer (+1.202.205.3179)** for copies of that questionnaire).

PART II.--TRADE AND RELATED INFORMATION

II-1. Has your firm experienced any plant openings, relocations, expansions, acquisitions, consolidations, closures, or prolonged shutdowns because of strikes or equipment failure; curtailment of production because of shortages of materials; or any other change in the character of your operations or organization relating to the production of pure and alloy magnesium since 1992 (the date on which the countervailing duty orders under review became effective)?

- No Yes--Supply details as to the time, nature, and significance of such changes.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-2. Does your firm anticipate any changes in the character of your operations or organization (as noted above) relating to the production of pure and alloy magnesium in the future?

No

Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue. Include in your response a specific projection of your firm's capacity to produce pure magnesium and alloy magnesium (in metric tons) for 2006 and 2007. Respond separately for pure vs. alloy magnesium. Please also submit any relevant public statements made by your firm's affiliates, whether they are governmental or corporate entities.

II-3.a. Would your firm anticipate any changes in the character of your operations or organization (as noted above) relating to the production of pure magnesium in the future if the countervailing duty order on pure magnesium from Canada was to be revoked?

No

Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

II-3.b. Would your firm anticipate any changes in the character of your operations or organization (as noted above) relating to the production of alloy magnesium in the future if the countervailing duty order on alloy magnesium from Canada was to be revoked?

No

Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-4. Does your firm have any plans to add, expand, curtail, or shut down production capacity and/or production of pure and alloy magnesium in Canada in the future?

No

Yes--Please describe those plans, including planned dates and capacity/production quantities involved, and the reason(s) for such change(s). If the plans are to add or expand capacity or production, list (in descending order of importance) the markets (countries) to which such additional capacity or production would be directed. Provide relevant portions of business plans or other supporting documentation that addresses this issue. Please provide separate responses for pure vs. alloy magnesium.

Pure magnesium:

Alloy magnesium:

II-5. Describe the production technology used in the production of pure and alloy magnesium in Canada and identify major production inputs. Also discuss any significant changes in production technology since 1992 (the year the countervailing duty orders under review became effective).

PART II.--TRADE AND RELATED INFORMATION--Continued

II-6. Has your firm since 1992 produced, or does your firm anticipate producing in the future, other products on the same equipment and machinery used in the production of pure and alloy magnesium?

No Yes--List the following information and report your firm's combined production capacity and production of these products and pure and alloy magnesium in the periods indicated.

<u>Product</u>	<u>Period</u>	<u>Basis for allocation of capacity data</u>
_____	_____	_____
_____	_____	_____

II-7. Has your firm since 1992 produced, or does your firm anticipate producing in the future, other products using the same production and related workers employed to produce pure and alloy magnesium?

No Yes--List the following information.

<u>Product</u>	<u>Period</u>	<u>Basis for allocation of employment data</u>
_____	_____	_____
_____	_____	_____

II-8. Please describe the constraint(s) that set the limit(s) on your production capacity.

II-9.a. What percentage of your firm's total sales in its most recent fiscal year was represented by sales of pure magnesium?

_____ Percent

II-9.b. What percentage of your firm's total sales in its most recent fiscal year was represented by sales of alloy magnesium?

_____ Percent

PART II.--TRADE AND RELATED INFORMATION--Continued

II-10.a. Is your firm able to switch production between pure magnesium and other products in response to a relative change in the price of pure and alloy magnesium vis-a-vis the price of other products, using the same equipment and labor?

- No
- Yes--Please identify below the other products, the approximate time and cost involved in switching, and the minimum relative price change required for your firm to switch production to or from pure magnesium.

II-10.b. Is your firm able to switch production between alloy magnesium and other products in response to a relative change in the price of pure and alloy magnesium vis-a-vis the price of other products, using the same equipment and labor?

- No
- Yes--Please identify below the other products, the approximate time and cost involved in switching, and the minimum relative price change required for your firm to switch production to or from alloy magnesium.

II-11.a. Has your firm maintained any inventories of pure magnesium in the United States (not including inventories held by firms identified in questions I-3, I-5, or I-6 above¹) since 2000?

- No
- Yes--Report the quantity (in metric tons) of such **end-of-period** inventories below.

<u>2000</u>	<u>2001</u>	<u>2002</u>	<u>2003</u>	<u>2004</u>	<u>2005</u>

¹ Such firms will report inventories in the Commission's importer or producer questionnaire.

² Such firms will report inventories in the Commission's importer or producer questionnaire.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-12.a. Are your firm's exports of pure and alloy magnesium subject to tariff or non-tariff barriers to trade (for example, antidumping or countervailing duty findings or remedies, tariffs, quotas, or regulatory barriers) in any countries other than the United States?

No Yes--List the products(s), country(ies), the year each such barrier was imposed, and the type of barrier.

Product	Country	Year imposed	Barrier (if tariff, give rate)
_____	_____	_____	_____
_____	_____	_____	_____

II-12.b. Are your firm's exports of pure or alloy magnesium subject to current investigations in any countries other than the United States that might result in tariff or non-tariff barriers to trade?

No Yes--List the products(s), country(ies), and type of investigation.

Product	Country	Type of investigation
_____	_____	_____
_____	_____	_____

II-13.a. Identify export markets (other than the United States) that you have developed or where you have increased your sales of pure magnesium as a result of the countervailing duty order on pure magnesium from Canada. Please identify and discuss below.

II-13.b. Identify export markets (other than the United States) that you have developed or where you have increased your sales of alloy magnesium as a result of the countervailing duty order on alloy magnesium from Canada. Please identify and discuss below.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-14. Describe the significance of the existing countervailing duty orders covering imports of pure and alloy magnesium from Canada in terms of their effect on your firm's production capacity, production, home market shipments, exports to the United States and other markets, and inventories. You may wish to compare your firm's operations before and after the imposition of the order.

II-15. Would your firm anticipate any changes in its production capacity, production, home market shipments, exports to the United States and other markets, or inventories relating to the production of pure and alloy magnesium in the future if the countervailing duty orders on pure and alloy magnesium from Canada were to be revoked?

No

Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, for any trends or projections you may provide. Respond separately for pure vs. alloy magnesium.

PART II.--TRADE AND RELATED INFORMATION--Continued

PART III.--MARKET FACTORS

Please note that the questions in this section refer to both pure and alloy magnesium. If your response to any question(s) differs depending on the type of magnesium (i.e., pure magnesium (other than off-specification pure magnesium), off-specification pure magnesium, alloy magnesium, granular magnesium, primary magnesium, or secondary magnesium), please note this in your response and provide information for each type.

III-1. Approximately what share of your firm's sales of pure and alloy magnesium to U.S. customers in 2005 were on a (1) long-term contract basis (multiple deliveries for more than 12 months), (2) short-term contract basis (multiple deliveries up to 12 months), and (3) spot sales basis (for a single delivery)?

Type of sale	Share of sales (percent)
Long-term contracts	
Short-term contracts	
Spot sales	

III-2. If you sell on a long-term contract basis, please answer the following questions with respect to provisions of a typical long-term contract.

- (a) What is the average duration of a contract? _____
- (b) Can prices be renegotiated during the contract period? _____
- (c) Does the contract fix quantity, price, or both? _____
- (d) Does the contract have a meet or release provision? _____

III-3. If you sell on a short-term contract basis, please answer the following questions with respect to provisions of a typical short-term contract.

- (a) What is the average duration of a contract? _____
- (b) Can prices be renegotiated during the contract period? _____
- (c) Does the contract fix quantity, price, or both? _____
- (d) Does the contract have a meet or release provision? _____

III-4. What is the average lead time between a U.S. customer's order and the date of delivery for your firm's sales of pure and alloy magnesium?

Source	Share of 2005 sales	Lead time
From inventory		
Produced to order		
Total	100%	

PART III.--MARKET FACTORS--Continued

Please note that the questions in this section refer to both pure and alloy magnesium. If your response to any question(s) differs depending on the type of magnesium (i.e., pure magnesium (other than off-specification pure magnesium), off-specification pure magnesium, alloy magnesium, granular magnesium, primary magnesium, or secondary magnesium), please note this in your response and provide information for each type.

III-5. To what extent have changes in the prices of raw materials affected your firm's selling prices for pure and alloy magnesium during January 2000-December 2005? Also discuss any anticipated changes in your raw material costs in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-6. Have any changes occurred in any other factors affecting supply (e.g., changes in availability or prices of energy or labor; transportation conditions; production capacity and/or methods of production; technology; export markets; or alternative production opportunities) that affected the availability of Canadian-produced pure and alloy magnesium in the U.S. market since 1992?

No Yes--Please note the time period(s) of any such changes, the factors(s) involved, and the impact such changes had on your shipment volumes and prices.

III-7. (a) Do you anticipate any changes in terms of the availability of Canadian-produced pure and alloy magnesium in the U.S. market in the future?

Increase No Change Decrease

(b) If you anticipate changes in supply, please identify the changes including the time period and the impact of such changes on shipment volumes and prices. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

PART III.--MARKET FACTORS--Continued

Please note that the questions in this section refer to both pure and alloy magnesium. If your response to any question(s) differs depending on the type of magnesium (i.e., pure magnesium (other than off-specification pure magnesium), off-specification pure magnesium, alloy magnesium, granular magnesium, primary magnesium, or secondary magnesium), please note this in your response and provide information for each type.

III-8. Describe how easily your firm can shift its sales of pure and alloy magnesium between the U.S. market and alternative country markets. In your discussion, please describe any contracts, other sales arrangements, or other constraints (including any third-country trade barriers such as tariffs, quotas, or other non-tariff barriers) that would prevent or retard your firm from shifting pure and alloy magnesium between the U.S. and alternative country markets within a 12-month period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-9. Is the product range, product mix, or marketing of pure and alloy magnesium in your home market significantly different from the product range, product mix, or marketing of pure and alloy magnesium for export to the United States or to third-country markets? Have there been any significant changes in the product range, product mix, or marketing of pure and alloy magnesium in your home market, for export to the United States, or for export to third-country markets since 1992?

No Yes--Please describe and quantify if possible.

III-10. Please discuss any anticipated changes in terms of the product range, product mix, or marketing of pure and alloy magnesium in your home market, for export to the United States, or for export to third-country markets in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

PART III.--MARKET FACTORS--Continued

Please note that the questions in this section refer to both pure and alloy magnesium. If your response to any question(s) differs depending on the type of magnesium (i.e., pure magnesium (other than off-specification pure magnesium), off-specification pure magnesium, alloy magnesium, granular magnesium, primary magnesium, or secondary magnesium), please note this in your response and provide information for each type.

III-11. (a) Please list in order of importance any products that may be substituted for pure magnesium.

(1) _____ (2) _____ (3) _____

(b) For each possible substitute product, please give examples of applications and end uses for which they are substitutes.

(c) Have changes in the prices of these products affected the price for pure magnesium?

No

Yes--To what degree do changes in their prices affect the price for pure magnesium? Does this effect have a time lag? If so, how long is the time lag for each substitute product? Does this vary by type of pure magnesium or final end use?

PART III.--MARKET FACTORS--Continued

Please note that the questions in this section refer to both pure and alloy magnesium. III-12. (a) Please list in order of importance any products that may be substituted for alloy magnesium.

(1) _____ (2) _____ (3) _____

(b) For each possible substitute product, please give examples of applications and end uses for which they are substitutes.

(c) Have changes in the prices of these products affected the price for alloy magnesium?

No Yes--To what degree do changes in their prices affect the price for alloy magnesium? Does this effect have a time lag? If so, how long is the time lag for each substitute product? Does this vary by type of alloy magnesium or final end use?

III-13. Have there been any changes in the number or types of products that can be substituted for pure magnesium since 1992?

No Yes--Please explain.

III-14. Have there been any changes in the number or types of products that can be substituted for alloy magnesium since 1992?

No Yes--Please explain.

III-15. Do you anticipate any changes in terms of the substitutability of other products for pure magnesium in the future?

- No Yes--Please describe. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-16. Do you anticipate any changes in terms of the substitutability of other products for alloy magnesium in the future?

- No Yes--Please describe. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-17. Is the pure magnesium produced by your firm and sold in its home market interchangeable (i.e., can be used in the same applications) with your firm's pure magnesium sold to the United States and/or to third-country markets?

- Yes No--Identify the market(s) and any differences in the products.

III-18. Is the alloy magnesium produced by your firm and sold in its home market interchangeable (i.e., can be used in the same applications) with your firm's alloy magnesium sold to the United States and/or to third-country markets?

- Yes No--Identify the market(s) and any differences in the products.

PART III.--MARKET FACTORS--Continued

Please note that the questions in this section refer to both pure and alloy magnesium. If your response to any question(s) differs depending on the type of magnesium (i.e., pure magnesium (other than off-specification pure magnesium), off-specification pure magnesium, alloy magnesium, granular magnesium, primary magnesium, or secondary magnesium), please note this in your response and provide information for each type.

III-31. Describe briefly your home market for pure magnesium, including the number of, and competition between, producers.

III-32. Describe briefly your home market for alloy magnesium, including the number of, and competition between, producers.

III-33. Do you face competition from imports of pure and alloy magnesium in your home market?

No Yes--Please identify the country sources of any imports of pure and alloy magnesium into your home market, and identify the type(s) of magnesium.

III-34. Please provide as a separate attachment to this request any studies, surveys, etc. that you are aware of that quantify and/or otherwise discuss pure and/or alloy magnesium supply (including production capacity and capacity utilization) and demand in (1) the United States, (2) each of the other major producing/consuming countries, including Canada, and (3) the world as a whole. Of particular interest is such data from 1992 to the present and forecasts for the future.

III-35. Does your firm sell pure or alloy magnesium over the internet?

No Yes--Please describe, noting the estimated percentage of your firm's total sales of pure and alloy magnesium in 2005 accounted for by internet sales.
