Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in the investigations under section 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in the investigations under section 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On May 29, 2007, a petition was filed with the Commission and Commerce by Davis Wire Corp. (Irwindale, CA), Gerdau Ameristeel Corp. (Tampa, FL), Maze Nails (Peru, IL), Mid-Continent Nail Corp. (Poplar Bluff, MO), and Treasure Coast Fasteners, Inc. (Fort Pierce, FL), alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of certain steel nails from China and the United Arab Emirates. Accordingly, effective May 29, 2007, the Commission instituted antidumping duty investigation Nos. 731-TA-1114 and 1115 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of June 4, 2007 (72 FR 30831). The conference was held in Washington, DC, on June 19, 2007, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on July 30, 2007. The views of the Commission are contained in USITC Publication 3939 (August 2007), entitled *Certain Steel Nails from China and the United Arab Emirates: Investigation Nos. 731-TA-1114 and 1115 (Preliminary)*.

Issued: July 31, 2007.
