SUPPLEMENTARY INFORMATION:

Background. On January 4, 2011, the
Commission determined that the
domestic interested party group
response to its notice of institution (75
FR 60814, October 1, 2010) of the
subject five-year reviews was adequate
and that the respondent interested party
group response was inadequate. The
Commission did not find any other
circumstances that would warrant
conducting full reviews.¹ Accordingly,
the Commission determined that it
would conduct expedited reviews
pursuant to section 751(c)(3) of the Act.

Staff report. A staff report containing
information concerning the subject
matter of the reviews will be placed in
the nonpublic record on March 2, 2011,
and made available to persons on the
Administrative Protective Order service
list for these reviews. A public version
will be issued thereafter, pursuant to
section 207.62(d)(4) of the
Commission's rules.

Written submissions. As provided in
section 207.62(d) of the Commission's
rules, interested parties that are parties
to the reviews and that have provided
individually adequate responses to the
notice of institution,² and any party
other than an interested party to the
reviews may file written comments with
the Secretary on what determination the
Commission should reach in the
reviews. Comments are due on or before
March 7, 2011 and may not contain new
factual information. Any person that is
neither a party to the five-year reviews
nor an interested party may submit a
brief written statement (which shall not
contain any new factual information)
pertinent to the reviews by March 7,
2011. However, should the Department
of Commerce extend the time limit for
its completion of the final results of its
reviews, the deadline for comments
(which may not contain new factual
information) on Commerce's final
results is three business days after the
issuance of Commerce's results. If

¹ A record of the Commissioners' votes, the
Commission's statement on adequacy, and any
individual Commissioner's statements will be
available from the Office of the Secretary and at the
Commission's Web site.

² The Commission has found the responses
submitted by Hackney Ladish, Inc.; Mills Iron
Works, Inc.; Tube Forgings of America, Inc.; and
Weldbend Corp. to be individually adequate.
Comments from other interested parties will not be
accepted (see 19 CFR 207.62(d)(2)).

comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Even where electronic filing of a document is permitted, certain documents must also be filed in paper form, as specified in II (C) of the Commission's Handbook on Electronic Filing Procedures, 67 FR 68168, 68173 (November 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination. The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

Issued: January 24, 2011.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.
