**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the antidumping duty orders on brass sheet and strip from France, Germany, Italy, and Japan would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date. For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR Part 201), and part 207, subparts A, D, E, and F (19 CFR Part 207).

**SUPPLEMENTARY INFORMATION:** On June 6, 2011, the Commission determined that

it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act. The Commission found that the domestic interested party group response to its notice of institution (76 FR 11509, March 2, 2011) was adequate and that the respondent interested party group response with respect to Germany was adequate, and decided to conduct a full review with respect to the antidumping duty order concerning brass sheet and strip from Germany. The Commission found that the respondent interested party group responses with respect to France, Italy, and Japan were inadequate. However, the Commission determined to conduct full reviews concerning the antidumping duty orders on brass sheet and strip from France, Italy, and Japan to promote administrative efficiency in light of its decision to conduct a full review with respect to the antidumping duty order concerning brass sheet and strip from Germany. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.

By order of the Commission.

Issued: June 15, 2011.
