**Background**

On March 31, 2011, a petition was filed with the Commission and Commerce by Mid Continent Nail Corporation, Poplar Bluff, Missouri, alleging that an industry in the United States is materially injured or threatened with material injury by reason of LTFV imports of certain steel nails from the United Arab Emirates. Accordingly, effective March 31, 2011, the Commission instituted antidumping duty investigation No. 731-TA-1185 (Preliminary).

Notice of the institution of the Commission's investigation and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of April 6, 2011 (76 FR 19124). The conference was held in Washington, DC, on April 21, 2011, and all persons who requested the opportunity were permitted to appear in person or by counsel.

<sup>2</sup> Chairman Deanna Tanner Okun and Commissioner Daniel R. Pearson determined that there is no reasonable indication that an industry in the United States is materially injured or threatened with material injury.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on May 16, 2011. The views of the Commission are contained in USITC Publication 4235 (May 2011), entitled *Certain Steel Nails from the United Arab Emirates: Investigation No. 731-TA-1185 (Preliminary)*.
