Chapter 99 Number: N/A
CAS Number: N/A
Article Description: Ladies composition leather briefcase carryall bag with inline style wheels and a pull out retractable handle.
Technical Comments: The Commission has determined that the petitioner is not a likely beneficiary because the reduced rate of duty requested in the petition is the same as the normal trade relations (NTR) rate of duty for this product. The Commission's estimated Customs revenue loss reflects that the petition does not request a reduction to the NTR rate of duty.
