

Appendix A. All Petitions

The following is a list of all petitions submitted to the Commission during the petition submission period. In appropriate cases, duplicate and/or overlapping petitions have been consolidated into a single master petition. Use this list to identify the appropriate appendix in which more detailed information is presented for a specific petition ID. If your petition has been consolidated with another petition, use the Master petition ID below to access petition details.

Note: Withdrawals executed after 06/07/2017 may not be reflected below. Refer to the online MTBPS application portal to view the most current status for withdrawn petitions.
