Final Report - Petition 1322

Overview

Final Category: V(aa)

Preliminary Report Updated: Yes

Petitioner: W.L. Gore and Associates

Petitioner Location: Newark, DE 19714-9029

Product Name: Men's PA ftwr w/ WP soles >\$27, 6-10"

HTS Number: 6402.91.50

Chapter 99 Number: 9902.23.76

CAS Number: N/A

Article Description: Footwear for men, with outer soles and uppers of rubber or plastics (other than footwear described in subheading note 1) that is designed for outdoor activities, such as hiking shoes, trekking shoes, running shoes and trail running shoes, valued over \$27/pair, which provides protection against water where such protection is imparted by the use of a laminated textile and has openings in the bottom and/or side of the sole, or covered openings in the upper above the sole unit, or a combination thereof, designed to permit moisture vapor transport from under the foot, with or without insulation, whose height from the bottom is at least 6 inches (15.35cm) and does not exceed 10 inches (25.4cm) (provided for in subheading 6402.91.50)

Technical Comments: The Commission has determined this petition is not properly filed pursuant to rule 220.7(b). The article description of this petition overlaps the article description of previously filed, and not withdrawn, petition 1316, which was filed by the same petitioner. The Commission did not calculate likely future imports for this petition because it was determined this petition was not properly filed.

Final Report Comments: Based on comment(s) received after delivery of the preliminary report and further research and analysis, the Commission changed its determination on domestic producer objection. The Commission has determined this petition overlaps with that of previously filed, and not withdrawn, petition 1316 filed by the same petitioner and therefore is not properly filed pursuant to rule 220.7(b). The technical comments have been updated from the preliminary report. The Commission reassigned the petition from category VI to category V(aa).
