(3) Commenter Type

If you select **U.S. Importer** you are asked one additional question:

From what country or countries is the product imported? (and there is no CBI question for this response)

If you select **Trade Association or Group, Other, or Government Entity**, you are not asked any additional questions and advance to card 4.

If you select **U.S. Producer** you are asked the questions shown on the summary

(a) Is your product identical, like, or directly competitive to the product covered by the petition?

(b) Product Description:

(c) Was the product made in the past 12 months?

(d) Is the product commercially available?

I claim that the information supplied above in 3.c is confidential business information, as defined in 19 CFR 201.6(a).

I claim that the information supplied above in 3.d is confidential business information, as defined in 19 CFR 201.6(a).

(e) Is your product a chemical?
