AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has issued a limited exclusion order and a cease and desist order in the above-captioned investigation directed against products of respondents Shanghai Honglian Medical Instruments of China and Shanghai Evenk International Trading Co., Ltd. of China. The investigation is terminated.

Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on February 7, 2011, based on a complaint filed by Gaumard Scientific Company, Inc. of Miami, Florida. 76 *Fed. Reg.* 6632 (Feb. 7, 2011). The complaint, as amended, alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain birthing simulators and associated systems by reason of infringement of various claims of United States Patent Nos. 6,503,087 ("the '087 patent") and 7,114,954 ("the '954 patent"). The complaint named Shanghai Honglian Medical Instruments of China and Shanghai Evenk International Trading Co., Ltd. of China as respondents. The complaint and Notice of Investigation were served on respondents on February 1, 2011. No responses were received.

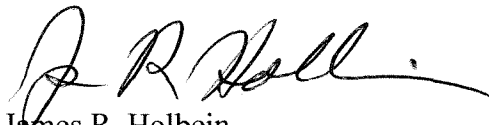

On March 4, 2011, the ALJ issued an order requiring respondents to show cause why they should not be held in default and judgment rendered against them for failing to respond to the complaint and notice of investigation. Respondents did not respond. On March 30, 2011, the ALJ issued an ID, finding both respondents in default pursuant to Commission Rule 210.16 (19 C.F.R. § 210.16) and terminating the above-referenced investigation. None of the parties petitioned for review of the ID. On May 2, 2011, the Commission determined not to review the ID.

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, the public interest, and bonding. The Commission has determined that the appropriate form of relief is a limited exclusion order prohibiting the unlicensed entry of birthing simulators covered by one or more of claims 16-20, 22-23, 25-28, 30-31, 33-34, and 36-38 of the '087 patent and claims 1, 2, 6, 7, and 10 of the '954 patent and that are manufactured by or on behalf of Shanghai Honglian and Shanghai Evenk, their affiliated companies, parents, subsidiaries, licensees, contractors, or other related business entities, or successors or assigns. The Commission has also determined to issue a cease and desist order that prohibits importing, selling for importation, marketing, advertising, distributing, offering for sale, selling, transferring (except for exportation), advertising, and soliciting United States agents or distributors for birthing simulators that are covered by one or more of the asserted claims.

The Commission further determined that the public interest factors enumerated in section 337(d)(1) (19 U.S.C. § 1337(d)(1)) do not preclude issuance of the limited exclusion order. Finally, the Commission determined that the amount of bond to permit temporary importation during the Presidential review period (19 U.S.C. § 1337(j)) shall be in the amount of 100 percent of the entered value of Shanghai Honglian's and Shanghai Evenk's birthing simulators that are subject to the order. The Commission's orders were delivered to the President and the United States Trade Representative on the day of their issuance.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.50 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.50).

By order of the Commission.

Inv. No. 337-TA-759

LIMITED EXCLUSION ORDER

The Commission has previously found Respondents Shanghai Honglian Medical Instrument Development Co., Ltd. (d/b/a General Doctor) and Shanghai Evenk International Trading Co. Ltd. (collectively "Respondents") of China in default for failing to respond to the Notice of Investigation and the Complaint that alleged a violation of section 337 of the Tariff Act of 1930, as amended, §19 U.S.C. 1337, in the unlawful importation, sale for importation, and sale after importation of certain birthing simulators and associated systems by reason of infringement of claims 16-20, 22-23, 25-28, 30-31, 33-34, and 36-38 of U.S. Patent No. 6,503,087 ("the '087 patent") and claims 1, 2, 6-7, and 10 of U.S. Patent No. 7,114,954 ("the '954 patent").

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, the public interest, and bonding. The Commission has determined that the appropriate form of relief is a limited exclusion order prohibiting the unlicensed entry of birthing simulators and associated systems that are covered by one or more of claims 16-20, 22-23, 25-28, 30-31, 33-34, and 36-38 the '087 patent and claims 1, 2, 6-7, and 10 of the '954 patent, and that are manufactured abroad by or on behalf of, or imported by or on behalf of Respondents.

The Commission has further determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude issuance of the limited exclusion order, and that a bond in the amount of 100% of the articles in question shall be required during the Presidential review period.

Accordingly, the Commission hereby **ORDERS** that:

1. Birthing simulators and associated systems that infringe one or more of claims 16-20, 22-23, 25-28, 30-31, 33-34, and 36-38 the '087 patent and claims 1, 2, 6-7, and 10 of the '954 patent, that are manufactured abroad by or on behalf of, or imported by or on behalf of, Respondents or any of their affiliated companies, parents, subsidiaries, successors, assigns, or other related business entities, are excluded from entry for consumption into the United States,

entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, for the remaining term of the patents, except under license of the patents' owner or as provided by law.

2. Notwithstanding paragraph 1 of this Order, the aforesaid products are entitled to entry for consumption into the United States, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, under bond in the amount of 100% of entered value of such articles pursuant to subsection (j) of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337(j), and the Presidential Memorandum for the United States Trade Representative of July 21, 2005 (70 *Fed. Reg.* 43251), from the day after this Order is received by the United States Trade Representative until such time as the United States Trade Representative notifies the Commission that this action is approved or disapproved but, in any event, not later than 60 days after the date of receipt of this action.

3. At the discretion of U.S. Customs and Border Protection ("CBP") and pursuant to procedures it establishes, persons seeking to import birthing simulators and associated systems that are potentially subject to this Order may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate the certification.

4. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not apply to birthing simulators and associated systems that are imported by and for the use of the United States, or imported for, and to be used for, the United States with the authorization or consent of the Government.

5. The Commission may modify this Order in accordance with the procedures described in section 210.76 of the Commission's Rules of Practice and Procedure, 19 C.F.R. § 210.76.

6. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon the Department of Health and Human Services, the Department of Justice, the Federal Trade Commission, and CBP.

7. Notice of this Order shall be published in the *Federal Register*.

The bond is to be posted in accordance with the procedures established by the Commission for the posting of bonds by complainants in connection with the issuance of temporary exclusion orders. *See* Commission Rule 210.68, 19 C.F.R. § 210.68. The bond is to be forfeited in the event that the United States Trade Representative approves, or does not disapprove within the Presidential review period, this Order, unless the U.S. Court of Appeals for the Federal Circuit, in a final judgment, reverses any Commission final determination and order as to Respondents on appeal, or unless Respondents export the products subject to this bond or destroys them and provides certification to that effect satisfactory to the Commission.

The bond is to be released in the event the United States Trade Representative disapproves this Order and no subsequent order is issued by the Commission and approved, or not disapproved, by the United States Trade Representative, upon service on Respondents of an order issued by the Commission based upon application therefore made by Respondents to the Commission.

By Order of the Commission.

**NOTICE OF COMMISSION DETERMINATION NOT TO REVIEW

PUBLIC INTEREST, AND BONDING**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 5) of the presiding administrative law judge (“ALJ”) finding both respondents in default and is requesting briefing on remedy, public interest, and bonding.

FOR FURTHER INFORMATION CONTACT: Jia Chen, Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone (202) 708-4737. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission’s electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on February 7, 2011, based on a complaint filed by Gaumard Scientific Company, Inc. of Miami, Florida. 76 *Fed. Reg.* 6632 (Feb. 7, 2011). The complaint, as amended, alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain birthing simulators and associated systems by reason of infringement of various claims of United States Patent Nos. 6,503,087 and 7,114,954. The complaint named Shanghai Honglian Medical Instruments of China and Shanghai Evenk International Trading Co., Ltd. of China as respondents. The complaint and

Notice of Investigation were served on respondents on February 1, 2011. No responses were received.

On March 4, 2011, the ALJ issued an order requiring respondents to show cause why they should not be held in default and judgment rendered against them for failing to respond to the complaint and notice of investigation. Respondents did not respond. On March 30, 2011, the ALJ issued the subject ID, finding both respondents in default pursuant to Commission Rule 210.16 (19 C.F.R. § 210.16) and terminating the above-referenced investigation. None of the parties petitioned for review of the ID.

The Commission has determined not to review the ID.

In connection with the final disposition of this investigation, the Commission may (1) issue an order that could result in the exclusion of the subject articles from entry into the United States, and/or (2) issue one or more cease and desist orders that could result in the respondent being required to cease and desist from engaging in unfair acts in the importation and sale of such articles. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or likely to do so. For background, see *In the Matter of Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843 (December 1994) (Commission Opinion).

If the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission will consider include the effect that an exclusion order and/or cease and desist orders would have on (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the U.S. Trade Representative, as delegated by the President, has 60 days to approve or disapprove the Commission's action. See Presidential Memorandum of July 21, 2005, 70 *Fed. Reg.* 43251 (July 26, 2005). During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed if a remedy is ordered.

WRITTEN SUBMISSIONS: Parties to the investigation, interested government agencies, and any other interested parties are encouraged to file written submissions on the issues of remedy, the public interest, and bonding. Specifically, Complainant and the Commission investigative attorney are requested to respond to the following question:

Does section 337(j)(3) (19 U.S.C. § 1337(j)(3)) or any other statutory authority authorize the Commission to permit default respondents subject to an exclusion order under section 337(g)(1) to import infringing products under bond during the sixty (60) day Presidential review period? Please cite any relevant legislative history. Complainant and the Commission investigative attorney are also requested to submit proposed remedial orders for the Commission's consideration. Complainant is also requested to state the dates that the patents expire and the HTSUS numbers under which the accused products are imported. The written submissions and proposed remedial orders must be filed no later than close of business on Thursday, May 12, 2011. Reply submissions must be filed no later than the close of business on Thursday, May 19, 2011. No further submissions on these issues will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document and 12 true copies thereof on or before the deadlines stated above with the Office of the Secretary. Any person desiring to submit a document to the Commission in confidence must request confidential treatment unless the information has already been granted such treatment during the proceedings. All such requests should be directed to the Secretary of the Commission and must include a full statement of the reasons why the Commission should grant such treatment. *See* 19 C.F.R. § 210.6. Documents for which confidential treatment by the Commission is sought will be treated accordingly. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary.

The authority for the Commission's determination is contained in section 337(g)(1) of the Tariff Act of 1930, as amended (19 U.S.C. § 1337(g)(1)), and in sections 210.42-46 and 210.50 of the Commission's Rules of Practice and Procedure (19 C.F.R. §§ 210.42-46 and 210.50).

Inv. No. 337-TA-759

Order 5: INITIAL DETERMINATION
Finding Respondents In Default

Complainant Gaumard Scientific Company, Inc. (“Gaumard”) moves, pursuant to 19 U.S.C. 1337(g)(1) and 19 C.F.R. 210.16, for the issuance of an initial determination finding respondents Shanghai Hongliang Medical Instrument Development Co., Ltd. (d/b/a General Doctor), and Shanghai Evenk International Trading Co., Ltd. (collectively, “respondents”) in default for (1) failure to respond to the complaint and notice of investigation as required by 19 C.F.R. 210.13, and (2) failure to show cause why respondents should not be found in default. (Motion No. 759-1). The Commission Investigative Staff supports the motion.

Gaumard filed its complaint on December 30, 2010. The Commission issued and served its notice of investigation on February 1, 2011. The date for respondents to file a timely response was March 3, 2011. To date, respondents have not filed a response.

On March 4, 2011, the undersigned issued Order 4, which required respondents to show cause no later than March 21, 2011, as to why they should not be held in default and judgment rendered against them pursuant to 19 C.F.R. 210.16. To date, no response has been received from respondents to the show cause order.

The Commission rules provide that a party shall be found in default if it fails to respond to a complaint and notice of investigation, and fails to show cause why it should not be found in default. 19 C.F.R. 210.16(a)(1).

Accordingly, having failed to respond to the complaint and notice of investigation, and having failed to respond to Order 4 to show cause, it is the INITIAL DETERMINATION of the undersigned that respondents are in default. 19 C.F.R. 210.16. This investigation is terminated in its entirety inasmuch as no respondents remain in this investigation,

Pursuant to 19 C.F.R. 210.42(h), this initial determination shall become the determination of the Commission unless a party files a petition for review of the initial determination pursuant to 19 C.F.R. 210.43(a), or the Commission, pursuant to 19 C.F.R. 210.44, orders on its own motion a review of the initial determination or certain issues contained herein.
