GENERAL EXCLUSION ORDER

The United States International Trade Commission ("Commission") has determined that there is a violation of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the unlawful importation, sale for importation, or sale within the United States after importation of certain LED lighting devices and components thereof that infringe one or more of claim 1 of U.S. Patent No. 9,411,083 ("the '083 patent") and claim 1 of U.S. Patent No. 9,772,499 ("the '499 patent").

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, the public interest, and bonding. The Commission has determined that a general exclusion from entry for consumption is necessary to prevent circumvention of an exclusion order limited to products of named persons and because there is a pattern of violation of section 337 and it is difficult to identify the source of the infringing products. Accordingly, the Commission has determined to issue a general exclusion order prohibiting the unlicensed importation of infringing LED lighting devices and components thereof.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude the issuance of the general exclusion order, and that the bond
during the period of Presidential review shall be in the amount of one hundred (100) percent of
the entered value of the articles in question.

Accordingly, the Commission hereby ORDERS that:

1. LED lighting devices and components thereof that infringe one or more of
claim 1 of the '083 patent and claim 1 of the '499 patent ("covered articles")
are excluded from entry for consumption into the United States, entry for
consumption from a foreign trade zone, or withdrawal from a warehouse for
consumption, for the remaining terms of the patents, except under license of
the patent owner or as provided by law.

2. Notwithstanding paragraph 1 of this Order, covered articles are entitled to
entry into the United States for consumption, entry for consumption from a
foreign-trade zone, or withdrawal from a warehouse for consumption under
bond in the amount of one hundred (100) percent of the entered value of the
products, pursuant to subsection (j) of section 337 (19 U.S.C. § 1337(j)) and
the Presidential Memorandum for the United States Trade Representative of
July 21, 2005 (70 Fed. Reg. 43251), from the day after this Order is received
by the United States Trade Representative until such time as the United States
Trade Representative notifies the Commission that this Order is approved or
disapproved but, in any event, not later than sixty (60) days after the date of
receipt of this Order. All entries of covered articles made pursuant to this
paragraph are to be reported to U.S. Customs and Border Protection ("CBP"),
in advance of the date of the entry, pursuant to procedures CBP establishes.

3. At the discretion of CBP and pursuant to the procedures it establishes, persons
seeking to import covered articles that are potentially subject to this Order may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses to substantiate the certification.

4. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not apply to covered articles that are imported by and for the use of the United States, or imported for, and to be used for, the United States with the authorization or consent of the Government.

5. The Commission may modify this Order in accordance with the procedures described in section 210.76 of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.76).

6. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon CBP.

7. Notice of this Order shall be published in the Federal Register.

By order of the Commission.
