GENERAL EXCLUSION ORDER

The Commission has determined that there is a violation of Section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the unlawful importation, sale for importation, or sale within the United States after importation of certain mobile device holders and components thereof that infringe one or more of claims 1, 11, and 12 of United States Patent No. 8,602,376 ("the ‘376 patent") and claims 1, 11, and 12 of United States Patent No. 8,870,146 ("the ‘146 patent").

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determinations on the issues of remedy, the public interest, and bonding. The Commission has determined that a general exclusion from entry for consumption is necessary to prevent circumvention of an exclusion order limited to products of named persons and because there is a pattern of violation of section 337 and it is difficult to identify the source of infringing products. Accordingly, the Commission has determined to issue a general exclusion order prohibiting the unlicensed importation of infringing mobile device holders and components thereof ("covered products").

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude issuance of the general exclusion order, and that the bond
during the Presidential review period shall be in the amount of one hundred (100) percent of
entered value for all covered products in question.

Accordingly, the Commission hereby ORDERS that:

1. Mobile device holders and components thereof that infringe one or more of
   claims 1, 11, and 12 of the ’376 patent and claims 1, 11, and 12 of the ’146 patent
   are excluded from entry into the United States for consumption, entry for
   consumption from a foreign-trade zone, or withdrawal from a warehouse for
   consumption for the remaining terms of the patents, except under license from, or
   with the permission of, the patent owner or as provided by law.

2. Notwithstanding paragraph 1 of this Order, the aforesaid mobile device holders
   and components thereof are entitled to entry into the United States for
   consumption, entry for consumption from a foreign-trade zone, or withdrawal
   from a warehouse for consumption, under a bond in the amount of one hundred
   (100) percent of entered value of the products pursuant to subsection (j) of
   Section 337 (19 U.S.C. § 1337(j)), and the Presidential Memorandum for the
   United States Trade Representative of July 21, 2005 (70 Fed Reg. 43251), from
   the day after this Order is received by the United States Trade Representative
   and until such time as the United States Trade Representative notifies the
   Commission that this Order is approved or disapproved but, in any event, not
   later than sixty (60) days after the date of receipt of this Order.

3. At the discretion of U.S. Customs and Border Protection (“CBP”) and
   pursuant to procedures it establishes, persons seeking to import mobile device
   holders and components thereof that are potentially subject to this Order may be
required to certify that they are familiar with the terms of this Order, that they
have made appropriate inquiry, and thereupon state that, to the best of their
knowledge and belief, the products being imported are not excluded from entry
under paragraph 1 of this Order. At its discretion, CBP may require persons who
have provided the certification described in this paragraph to furnish such
records or analyses as are necessary to substantiate the certification.

4. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not
apply to mobile device holders and components thereof that are imported by
and for the use of the United States, or imported for, and to be used for, the
United States with the authorization or consent of the Government.

5. The Commission may modify this Order in accordance with the procedures
described in section 210.76 of the Commission’s Rules of Practice and
Procedure (19 C.F.R. § 210.76).

6. The Commission Secretary shall serve copies of this Order upon each party of
record in this investigation and upon the CBP.

7. Notice of this Order shall be published in the Federal Register.

By order of the Commission.

XI. Bonding

The conduct prohibited by section III of this order may be continued during the sixty-day period in which this Order is under review by the United States Trade Representative, as delegated by the President (70 Fed. Reg. 43,251 (Jul. 21, 2005)), subject to Respondent's posting of a bond in the amount of one hundred (100) percent of the entered value of the covered products. This bond provision does not apply to conduct that is otherwise permitted by section IV of this Order. Covered products imported on or after the date of issuance of this Order are subject to the entry bond as set forth in the exclusion order issued by the Commission, and are not subject to this bond provision.

The bond is to be posted in accordance with the procedures established by the Commission for the posting of bonds by complainants in connection with the issuance of temporary exclusion orders. See 19 C.F.R. § 210.68. The bond and any accompanying
documentation are to be provided to and approved by the Commission prior to the commencement of conduct that is otherwise prohibited by section III of this Order. Upon the Secretary’s acceptance of the bond, (a) the Secretary will serve an acceptance letter on all parties, and (b) Respondent must serve a copy of the bond and accompanying documentation on Complainant’s counsel.\(^2\)

The bond is to be forfeited in the event that the United States Trade Representative approves this Order (or does not disapprove it within the review period), unless (i) the U.S. Court of Appeals for the Federal Circuit, in a final judgment, reverses any Commission final determination and order as to Respondent on appeal, or (ii) Respondent exports or destroys the products subject to this bond and provides certification to that effect that is satisfactory to the Commission.

This bond is to be released in the event the United States Trade Representative disapproves this Order and no subsequent order is issued by the Commission and approved (or not disapproved) by the United States Trade Representative, upon service on Respondent of an order issued by the Commission based upon application therefore made by Respondent to the Commission.
