Investigation No. 337-TA-1044

Second Modified Limited Exclusion Order

The United States International Trade Commission (“Commission”) has determined that there is a violation of Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the unlawful importation, sale for importation, or sale within the United States after importation by Respondent Sigma Designs, Inc. (“SDI” or “Respondent”), of certain graphics systems, components thereof, and consumer products containing the same, covered by claims 1-5 and 8 of U.S. Patent No. 7,633,506 (“the ’506 patent”).

Having reviewed the record of this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, public interest, and bonding. The Commission has determined that the appropriate form of relief is a limited exclusion order prohibiting the unlicensed entry into the United States of SDI’s covered graphics systems, manufactured abroad by or on behalf of the Respondent or any of its affiliated companies, parents, subsidiaries, or other related business entities, or its successors or assigns.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude the issuance of the limited exclusion order, and that the bond during the Presidential review period shall be in the amount of zero (0) percent of the entered value of the covered products.

Accordingly, the Commission hereby **ORDERS** that:

1. SDI's graphics systems covered by one or more of claims 1-5 and 8 of the '506 patent that are manufactured abroad by or on behalf of, or are imported by or on behalf of the Respondent or any of its affiliated companies, parents, subsidiaries, agents, or other related business entities, or its successors or assigns are excluded from entry for consumption into the United States, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption, for the remaining term of the '506 patent, except under license of the patent owner or as provided by law.

2. Notwithstanding paragraph 1 of this Order, the aforesaid graphics systems, components thereof, and consumer products containing the same, are entitled to entry into the United States for consumption, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, under bond in the amount of zero (0) percent of the entered value of the covered products pursuant to subsection (j) of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337(j)), and the Presidential Memorandum for the United States Trade Representative of July 21, 2005, (70 FR 43251), from the day after this Order is received by the United States Trade Representative, and until such time as the United States Trade representative notifies the Commission that this Order is approved or disapproved but, in any event, not later than sixty (60) days after the date of receipt of this Order.

3. At the discretion of U.S. Customs and Border Protection ("CBP") and pursuant to the procedures it establishes, persons seeking to import graphics systems, components thereof, and consumer products containing the same, that are potentially subject to this Order may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the

products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate this certification.

4. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not apply to graphics systems, components thereof, and consumer products containing the same that are imported by or for the use of the United States, or imported for and to be used for, the United States with the authorization or consent of the Government.

5. The Commission may modify this Order in accordance with the procedures described in Rule 210.76 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.76).

6. The Secretary shall serve copies of this Order upon each party of record in this Investigation and upon CBP.

7. Notice of this Order shall be published in the Federal Register.

By order of the Commission.

Investigation No. 337-TA-1044

LIMITED EXCLUSION ORDER

The United States International Trade Commission (“Commission”) has determined that there is a violation of Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the unlawful importation, sale for importation, or sale within the United States after importation by Respondents VIZIO, Inc. (“VIZIO”), MediaTek Inc. and Media Tek USA Inc. (collectively, “MediaTek”), and Sigma Designs, Inc. (“SDI”), of certain graphics systems, components thereof, and consumer products containing the same, covered by claims 1-5 and 8 of U.S. Patent No. 7,633,506 (“the ’506 patent”).

Having reviewed the record of this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, public interest, and bonding. The Commission has determined that the appropriate form of relief is a limited exclusion order prohibiting the unlicensed entry into the United States of MediaTek’s and SDI’s covered graphics systems and VIZIO’s televisions containing the same, manufactured abroad by or on behalf of the Respondents or any of their affiliated companies, parents, subsidiaries, or other related business entities, or their successors or assigns.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) do not preclude the issuance of the limited exclusion order, and that the bond during the Presidential review period shall be in the amount of zero (0) percent of the entered value of the covered products.

Accordingly, the Commission hereby **ORDERS** that:

1. MediaTek's and SDI's graphics systems and VIZIO's televisions containing the same, covered by one or more of claims 1-5 and 8 of the '506 patent that are manufactured abroad by or on behalf of, or are imported by or on behalf of the Respondents or any of their affiliated companies, parents, subsidiaries, agents, or other related business entities, or their successors or assigns are excluded from entry for consumption into the United States, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption, for the remaining term of the '506 patent, except under license of the patent owner or as provided by law.

2. Notwithstanding paragraph 1 of this Order, the aforesaid graphics systems, components thereof, and consumer products containing the same, are entitled to entry into the United States for consumption, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, under bond in the amount of zero (0) percent of the entered value of the covered products pursuant to subsection (j) of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337(j)), and the Presidential Memorandum for the United States Trade Representative of July 21, 2005, (70 FR 43251), from the day after this Order is received by the United States Trade Representative, and until such time as the United States Trade representative notifies the Commission that this Order is approved or disapproved but, in any event, not later than sixty (60) days after the date of receipt of this Order.

3. At the discretion of U.S. Customs and Border Protection (“CBP”) and pursuant to the procedures it establishes, persons seeking to import graphics systems, components thereof, and consumer products containing the same, that are potentially subject to this Order may be required to certify that they are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, the products being imported are not excluded from entry under paragraph 1 of this Order. At its discretion, CBP may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate this certification.

4. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not apply to graphics systems, components thereof, and consumer products containing the same that are imported by or for the use of the United States, or imported for and to be used for, the United States with the authorization or consent of the Government.

5. The Commission may modify this Order in accordance with the procedures described in Rule 210.76 of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.76).

6. The Secretary shall serve copies of this Order upon each party of record in this Investigation and upon CBP.

7. Notice of this Order shall be published in the Federal Register.
