Washington, D.C.

In the Matter of

**CERTAIN THREE-DIMENSIONAL
CINEMA SYSTEMS AND
COMPONENTS THEREOF**

Investigation No. 337-TA-939

LIMITED EXCLUSION ORDER

The Commission found that there is a violation of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the unlawful importation, sale for importation, and sale after importation by MasterImage 3D, Inc. of Sherman Oaks, California, and MasterImage 3D Asia, LLC of Seoul, Republic of Korea (collectively, “Respondents”) of certain three-dimensional cinema systems, and components thereof, by reason of infringement of claims 1-3, 9-11, 13, 15, 17-19, and 21 of U.S. Patent No. 7,857,455 (“the ’455 patent”); claims 1, 2, 7, 8, 11, and 12 of U.S. Patent No. 7,959,296 (“the ’296 patent”); and claims 1, 6, and 11 of U.S. Patent No. 8,220,934 (“the ’934 patent”).

The Commission has determined that the appropriate form of relief is a limited exclusion order prohibiting the unlicensed entry of covered three-dimensional cinema systems, and components thereof, manufactured abroad by or on behalf of, or imported by or on behalf of, Respondents or any of their affiliated companies, parents, subsidiaries, or other related business entities, or their successors or assigns.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. § 1337(d)(1) do not preclude the issuance of the limited exclusion order.

The Commission has further determined to set a bond during the period of Presidential review in the amount of 100 percent of the entered value of the three-dimensional cinema systems, and components thereof, that are subject to this Order.

Accordingly, the Commission hereby **ORDERS** that:

1. Three-dimensional cinema systems, and components thereof, that are covered by one or more of claims 1-3, 9-11, 13, 15, 17-19, and 21 of the '455 patent; claims 1, 2, 7, 8, 11, and 12 of the '296 patent; and claims 1, 6, and 11 of the '934 patent and that are manufactured abroad by or on behalf of, or imported by or on behalf of, Respondents or any of their affiliated companies, parents, subsidiaries, or other related business entities, or its successors or assigns, are excluded from entry for consumption into the United States, entry for consumption from a foreign trade zone, or withdrawal from a warehouse for consumption, for the remaining term of the patent, except under license of the patent owner or as provided by law.

2. Notwithstanding paragraph 1 of this Order, the aforementioned three-dimensional cinema systems, and components thereof, are entitled to entry into the United States for consumption, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption under bond in the amount of 100 percent of the entered value of such articles pursuant to subsection (j) of section 337 (19 U.S.C. § 1337(j)) and the Presidential Memorandum for the United States Trade Representative of July 21, 2005 (70 *Fed. Reg.* 43,251), from the day after this Order is received by the United States Trade Representative until such time as the United States Trade Representative notifies the Commission that this Order is approved or disapproved but, in any event, not later than sixty days after the date of receipt of this Order.

3. At the discretion of U.S. Customs and Border Protection and pursuant to procedures that it establishes, persons seeking to import three-dimensional cinema systems, and components thereof, that are potentially subject to this Order may be required to certify that they

are familiar with the terms of this Order, that they have made appropriate inquiry, and thereupon state that, to the best of their knowledge and belief, (1) the products being imported are not excluded from entry under paragraph 1 of this Order or (2) unassembled LC modulator components are being imported only for use in MasterImage's Wave 3D product and not for use in infringing products. At its discretion, U.S. Customs and Border Protection may require persons who have provided the certification described in this paragraph to furnish such records or analyses as are necessary to substantiate the certification.

4. In accordance with 19 U.S.C. § 1337(l), the provisions of this Order shall not apply to certain three-dimensional cinema systems, and components thereof, imported by and for the use of the United States, or imported for, and to be used for, the United States with the authorization or consent of the Government.

5. The enforcement of the provisions of this Order as to claims 1, 6, and 11 of the '934 patent is suspended pending final resolution of a Final Written Decision issued by the Patent Trial and Appeal Board of the U.S. Patent and Trademark Office on April 14, 2016, finding certain claims of the '934 patent unpatentable. *See* 35 U.S.C. § 318(b).

6. The Commission may modify this Order in accordance with the procedures described in section 210.76 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.76).

7. The Secretary shall serve copies of this Order upon each party of record in this investigation and upon the Department of Health and Human Services, the Department of Justice, the Federal Trade Commission, and U.S. Customs and Border Protection.

8. Notice of this Order shall be published in the *Federal Register*.

By order of the Commission.

Reg.* 43,251 (Jul. 21, 2005)), subject to Respondent posting of a bond in the amount of 100 percent of the entered value of the covered products. This bond provision does not apply to conduct that is otherwise permitted by Section IV of this Order. Covered products imported on or after the date of issuance of this Order are subject to the entry bond as set forth in the exclusion order issued by the Commission, and are not subject to this bond provision.

The bond is to be posted in accordance with the procedures established by the Commission for the posting of bonds by Complainant in connection with the issuance of temporary exclusion orders. (*See* 19 C.F.R. § 210.68). The bond and any accompanying documentation are to be provided to and approved by the Commission prior to the commencement of conduct that is otherwise prohibited by Section III of this Order. Upon the Secretary's acceptance of the bond, (a) the Secretary will serve an acceptance letter on all parties, and (b) Respondent must serve a copy of the bond and any accompanying documentation on Complainant's counsel.²

The bond is to be forfeited in the event that the United States Trade Representative approves this Order (or does not disapprove it within the review period), unless (i) the U.S. Court of Appeals for the Federal Circuit, in a final judgment, reverses any Commission final determination and order as to Respondent on appeal or (ii) Respondent exports or destroys the

The bond is to be released in the event the United States Trade Representative disapproves this Order and no subsequent order is issued by the Commission and approved (or not disapproved) by the United States Trade Representative, upon service on Respondent of an order issued by the Commission based upon application therefore made by Respondent to the Commission.
