Notice

On this date, the administrative law judge issued the Final Initial Determination (“ID”) on the question of violation of section 337 (19 U.S.C. § 1337). A public version of the ID will be available within 30 days.

As explained in the ID, the administrative law judge determined that a violation of section 337 has occurred with respect to some but not all respondents because certain accused products infringe at least one asserted claim of U.S. Patent No. 8,381,712, while certain accused products do not infringe any asserted claim.
