Petitioner Targets The Fabricator Market (1)

DAYTON.

**Fabricator
Program**

General	The Dayton Fabricator Program is available exclusively to customers whose principal business is the fabrication of countertops used in kitchen and/or bath applications.
Freight Allowance	Full freight allowance for orders of 30 or more sinks to one destination at one time
Lead-time	14 days
Literature	We offer an undermount sell sheet, full-line catalog, custom countertops sell sheet, corresponding price lists, and a complete binder to support your needs. Additional copies of the sell sheets, catalog, and price lists can be ordered individually by using the Dayton Literature Order Form provided at the back of the binder.
Displays	Display racks and display product are available upon request. Display racks can be ordered using the order form provided in this binder. Display product can be ordered by contacting your local sales representative.
Specification Sheets and DXF files	Specification sheets are available on Elkay's web site. To view sheets electronically or download DXF files, log on to elkayusa.com. Enter the model number in the "search" box and you will be directed to the information you need.
Customer Service	Please call 630-572-3192 (or fax 630-574-5012) for all of the following: place an order, expedite orders, additions to orders, shipment information, check inventory, and return authorizations.

The products, programs and services outlined above are offered exclusively to fabricators and can not be combined with other Dayton programs.

Petitioner Targets The Fabricator Market (2)

Fabricator Program

General	The Revere Fabricator Program is available exclusively to customers whose principal business is the fabrication of countertops used in kitchen and/or bath applications.
Freight Allowance	Full freight allowance for orders of 15 or more sinks to one destination at one time
Lead-time	14 days
Literature	We offer an undermount sell sheet, full-line catalog, custom countertop sell sheet, corresponding price lists, and a complete binder to support your needs. Additional copies of the sell sheets, catalog, and price lists can be ordered individually by using the Revere Literature Order Form provided at the back of the binder.
Specification Sheets and DXF files	Specification sheets are available on Revere's web site. To view sheets electronically or download DXF files, log on to reversesink.com , click on tab "Technical Data", then click on <i>Undermounts</i> . You will notice an empty box. Enter the model number in the box and you will be directed to the information you need.
Displays	Display racks and display product are available upon request. Display racks can be ordered using the order form provided in this binder. Display product can be ordered by contacting your local sales representative.
Customer Service	Please call 800-225-8585 (or fax 630-645-4447) for all of the following: place an order, expedite orders, additions to orders, shipment information, check inventory, and return authorizations.

The products, programs and services outlined above are offered exclusively to fabricators and can not be combined with other Revere programs.
