A. INTRODUCTION

1. Coverage. This publication lists selected publications issued by the U.S. International Trade Commission through 1987 (i.e., through USITC Publication 2049).

This publication supersedes USITC Publication 2006 issued in August 1987.

Publications not included are, in most cases, out of print. Special needs for such publications should be taken up in writing or in person with the Secretary's Office.

2. Depository Libraries. In many cases, the publications listed herein may be found in Federal Depository Libraries. These include leading public, university, and college libraries throughout the country. A complete list of depository libraries may be obtained from the Superintendent of Documents of the U.S. Government Printing Office, Washington, DC 20402.

3. Requests and Orders. Publications that are listed as available from the Commission may be obtained without charge as long as the supply lasts.

Publications shown as available at the U.S. Government Printing Office may be ordered from the Division of Public Documents, U.S. Government Printing Office, Washington, DC 20402. Orders should be accompanied by check or money order. All such orders and checks should be made out to the Superintendent of Documents, not to the Commission.

4. Explanation of Symbols. In sections B, C, and D, publications are listed under the several categories shown in the Outline of Contents. Summarized information concerning each report is shown in a series of six columns. For columns 1, 2 and 5, the headings are sufficiently explanatory. The symbols used in columns 3 and 4 are as follows:
