SUPPLEMENTARY INFORMATION: On January 13, 2022, the Commission instituted this investigation based on a complaint filed by Nike, Inc. of Beaverton, Oregon. 87 FR 2176-77 (Jan. 13, 2022). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, based on the importation into the United States, the sale for importation, or the sale within the United States after importation of certain knitted footwear by reason of infringement of one or more claims of U.S. Patent Nos. 9,918,511; 9,743,705; 8,266,749; 7,814,598; 9,060,562; and 8,898,932. *Id.* The Commission's notice of investigation named the following adidas entities as respondents: Adidas AG of Herzogenaurach, Germany; adidas North America, Inc. of Portland Oregon; and adidas America, Inc. also of Portland, Oregon. The Office of Unfair Import Investigations was not named as a party in this investigation. *Id.*

On February 22, 2022, Nike moved under 19 CFR 210.14 to amend the Complaint and NOI to (1) add adidas International as a respondent; and (2) to add importation information for the accused products relating to HTS numbers and countries of origin. Nike argued that it did not know about the role of adidas International until the existing respondents filed their responses to the complaint and NOI and that adding adidas International "is necessary to provide a complete evidentiary record regarding the distribution, sale for importation, importation, and sale after importation of the Accused Products, among other issues." ID at 2. Similarly, Nike argued that it did not know about the additional HTS numbers and countries of origin until receiving responses to the complaint and NOI. Nike stated that the named adidas respondents do not oppose the motion. *Id.* at 1.

On March 7, 2022, the ALJ issued the subject ID, granting the motion. The ID found that good cause exists to grant the motion to add adidas International as a respondent and add information regarding HTS numbers of the imported accused products and their countries of origin. *Id.* at 3-4. No one petitioned for review of the subject ID.

The Commission has determined not to review the subject ID. adidas

International is added to the investigation as a respondent.

The Commission vote for this determination took place on March 21, 2022.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: March 21, 2022.

Secretary to the Commission.

Definitions of types of documents that may be filed; requirements: In addition to requests to appear at the hearing, this notice provides for the possible filing of four types of documents: Prehearing briefs, oral hearing statements, post-hearing briefs, and other written submissions.

(1) *Prehearing briefs* refers to written materials relevant to the investigation and submitted in advance of the hearing, and includes written views on matters that are the subject of the investigation, supporting materials, and any other written materials that you consider will help the Commission in understanding your views. You should file a prehearing brief particularly if you plan to testify at the hearing on behalf of an industry group, company, or other organization, and wish to provide detailed views or information that will support or supplement your testimony.

(2) *Oral hearing statements (testimony)* refers to the actual oral statement that you intend to present at the public hearing. Do not include any confidential business information in that statement. If you plan to testify, you must file a copy of your oral statement by the date specified in this notice. This statement will allow Commissioners to

understand your position in advance of the hearing and will also assist the court reporter in preparing an accurate transcript of the hearing (e.g., names spelled correctly).

(3) *Post-hearing briefs* refers to submissions filed after the hearing by persons who appeared at the hearing. Such briefs: (a) Should be limited to matters that arose during the hearing, (b) should respond to any Commissioner and staff questions addressed to you at the hearing, (c) should clarify, amplify, or correct any statements you made at the hearing, and (d) may, at your option, address or rebut statements made by other participants in the hearing.

(4) *Other written submissions* refers to any other written submissions that interested persons wish to make, regardless of whether they appeared at the hearing, and may include new information or updates of information previously provided.

In accordance with the provisions of section 201.8 of the Commission's Rules of Practice and Procedure (19 CFR 201.8) the document must identify on its cover (1) the investigation number and title and the type of document filed (i.e., prehearing brief, oral statement of (name), posthearing brief, or written submission), (2) the name and signature of the person filing it, (3) the name of the organization that the submission is filed on behalf of, and (4) whether it contains confidential business information (CBI). If it contains CBI, it must comply with the marking and other requirements set out below in this notice relating to CBI. Submitters of written documents (other than oral hearing statements) are encouraged to include a short summary of their position or interest at the beginning of the document, and a table of contents when the document addresses multiple issues.

Confidential business information: Any submissions that contain confidential business information must also conform to the requirements of section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information is clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

As requested by the Committee, the Commission will not include any confidential business information in its

report. However, all information, including confidential business information, submitted in this investigation may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel for cybersecurity purposes. The Commission will not otherwise disclose any confidential business information in a way that would reveal the operations of the firm supplying the information.

Summaries of written submissions: Persons wishing to have a summary of their position included in the report should include a summary with their written submission on or before June 23, 2022, and should mark the summary as having been provided for that purpose. The summary should be clearly marked as “summary for inclusion in the report” at the top of the page. The summary may not exceed 500 words and should not include any confidential business information. The summary will be published as provided if it meets these requirements and is germane to the subject matter of the investigation. The Commission will list the name of the organization furnishing the summary and will include a link to the Commission’s Electronic Document Information System (EDIS) where the written submission can be found.

A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the review will be placed in the nonpublic record on June 14, 2022, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission’s rules.
