

EXECUTIVE OFFICE OF THE PRESIDENT  
THE UNITED STATES TRADE REPRESENTATIVE  
WASHINGTON, D.C. 20508

December 14, 2009

The Honorable Shara L. Aranoff  
Chairman  
U.S. International Trade Commission  
500 E Street, S.W.  
Washington, DC 20436

DOCKET NUMBER  2701
Office of the Secretary Int'l Trade Commission

RECEIVED  
OFFICE OF THE SECRETARY  
U.S. INTERNATIONAL TRADE COMMISSION  
2009 DEC 15 PM 1:44

Dear Chairman Aranoff:

On December 14, 2009, I notified Congress of the President's intent to enter into negotiation of a regional, Asia-Pacific trade agreement involving seven countries – Australia, Brunei Darussalam, Chile, New Zealand, Peru, Singapore, and Vietnam – known as the Trans-Pacific Partnership Agreement (TPP Agreement). Accordingly, under authority delegated by the President and pursuant to section 131 of the Trade Act of 1974, I request that the U.S. International Trade Commission (Commission) provide a report containing its advice as to the probable economic effect of providing duty-free treatment for imports of products from the seven TPP countries on (i) industries in the United States producing like or directly competitive products, and (ii) consumers. This analysis should consider each article in chapters 1 through 97 of the Harmonized Tariff Schedule of the United States (HTS) for which U.S. tariffs will remain taking into account implementation of U.S. commitments in the World Trade Organization and under U.S. free trade agreements that the United States has with a TPP country. The advice should be based on the HTS in effect during 2010 and trade data for 2008. USTR also will take into account the Commission's advice provided in response to previous requests regarding the negotiation of an FTA with any of the TPP countries.

The advice with respect to the removal of U.S. duties on imports from the TPP countries should assume that any known U.S. non-tariff barrier will not be applicable to such imports. The Commission is requested to note in its report any instance in which the continued application of a U.S. non-tariff barrier would result in different advice with respect to the effect of the removal of the duty.

In addition, I request the Commission to prepare an assessment, as described in section 2104(b)(2) of the Trade Act of 2002, of the probable economic effects of eliminating tariffs on imports from the TPP countries of those agricultural products described in the list attached to this letter on (i) industries in the United States producing the product concerned and (ii) the U.S. economy as a whole. USTR also will take into account the Commission's advice provided in response to previous requests regarding the negotiation of an FTA with any of the TPP countries.

The Honorable Shara L. Aranoff

I request that the Commission provide its report containing such advice and assessment as soon as possible, but in any event no later than June 2, 2010. In accordance with USTR policy on implementing Executive Order 12958 as amended entitled "Classified National Security Information," I direct you to mark or identify as "confidential," for a period of ten years, such portions of the Commission's report and its working papers which relate to the advice and assessment of probable economic effects. Consistent with the Executive Order, this information is being classified on the basis that it concerns economic matters relating to the national security. USTR also considers the Commission's report to be an inter-agency memorandum that will contain pre-decisional advice and be subject to the deliberative process privilege. I also request that you submit an outline of this report as soon as possible to enable USTR officials to provide you with further guidance on its classification, including the extent to which portions of the report will require classification and for how long. Based on this outline, an appropriate USTR official with original classification authority will provide you with written instructions.

The Commission's assistance in this matter, and its continuing cooperation and support for our negotiating efforts, are greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Ron Kirk". The signature is written in a cursive style with a large, looping initial "R".
