

THE UNITED STATES TRADE REPRESENTATIVE  
EXECUTIVE OFFICE OF THE PRESIDENT  
WASHINGTON

March 17, 2020

The Honorable David S. Johanson  
Chairman  
U.S. International Trade Commission  
500 E Street SW  
Washington, DC 20436

Dear Chairman Johanson:

On March 17, 2020, I informed Congress of the President's intention to commence negotiations on a United States-Republic of Kenya ("Kenya") Trade Agreement. Accordingly, under authority delegated by the President and pursuant to section 131 of the Trade Act of 1974, I request that the U.S. International Trade Commission (Commission) provide a report containing its advice as to the probable economic effect of providing duty-free treatment for imports of currently dutiable products from Kenya, including currently dutiable products under the African Growth and Opportunity Act (AGOA), on (i) industries in the United States producing like or directly competitive products and (ii) consumers. This analysis should consider each article in chapters 1 through 97 of the Harmonized Tariff Schedule of the United States (HTSUS) for which U.S. tariffs will remain, taking into account implementation of U.S. commitments in the World Trade Organization. The advice should be based on the HTSUS in effect during 2019 and trade data for 2018.

In addition, I request the Commission to prepare an assessment, as described in section 105(a)(2)(B)(i)(III) of the Bipartisan Congressional Trade Priorities and Accountability Act of 2015, of the probable economic effects of eliminating tariffs on imports from Kenya of those agricultural products described in the list attached to this letter on (i) industries in the United States producing the products concerned and (ii) the U.S. economy as a whole.

I request that the Commission provide its report containing such advice and assessment as soon as possible.

In accordance with the policy of the Office of the United States Trade Representative (USTR) on implementing Executive Order 13526, as amended, entitled "Classified National Security Information" and published January 5, 2010, I direct you to mark or identify as "confidential" for a period of ten years, such portions of the Commission's report and its working papers as relate to the advice and assessment of probable economic effects. Consistent with the Executive Order, this information is being classified on the basis that it contains economic matter relating to the

national security. USTR also considers the Commission's report to be an inter-agency memorandum that will contain pre-decisional advice and be subject to the deliberative process privilege. I also request that you submit an outline of this report as soon as possible to enable USTR to provide you with further guidance on its classification, including the extent to which portions of the report will require classification and for how long. Based on this outline, an appropriate USTR official with original classification authority will provide you with written instructions. The Commission's assistance in this matter and its continuing cooperation and support for our negotiating efforts are greatly appreciated.

Sincerely yours,

Dear Jennifer,

On March 17, 2020, the U.S. Trade Representative, pursuant to section 131 of the Trade Act of 1974, requested that the U.S. International Trade Commission (Commission) provide a report containing its advice as to the probable economic effect of providing duty-free treatment for imports of currently dutiable products from Kenya, including currently dutiable products under the African Growth and Opportunity Act (AGOA), on (i) industries in the United States producing like or directly competitive products and (ii) consumers. This analysis should consider each article in chapters 1 through 97 of the Harmonized Tariff Schedule of the United States (HTSUS) for which U.S. tariffs will remain, taking into account implementation of U.S. commitments in the World Trade Organization.

Based on the availability of the most recent trade data, USTR would like to provide clarification to the original request and ask that the Commission's advice should be based on the HTSUS in effect during 2020 and trade data for 2019.

Additionally, please see the attached annex of import sensitive agricultural products for use with your investigation.

We look forward to receiving the report when it is completed.

Sincerely,

Alan
