Background: The 2019 annual services trade report will provide aggregate data on cross-border trade in services for 2017 and affiliate transactions in services for 2016, and more specific data and information on trade in distribution services (logistics, maritime trade, and retail services). Under Commission Investigation No. 332-345, the Commission publishes two annual reports, one on services trade (Recent

Trends in U.S. Services Trade), and a second on merchandise trade (Shifts in U.S. Merchandise Trade). The Commission's 2018 annual report in the series of reports on Recent Trends in U.S. Services Trade is now available online at <https://www.usitc.gov>.

The initial notice of institution of this investigation was published in the Federal Register on September 8, 1993 (58 FR 47287) and provided for what is now the report on merchandise trade. The Commission expanded the scope of the investigation to cover services trade in a separate report, which it announced in a notice published in the Federal Register on December 28, 1994 (59 FR 66974). The separate report on services trade has been published annually since 1996, except in 2005. As in past years, the report will summarize trade in services in the aggregate and provide analyses of trends and developments in selected services industries during the latest period for which data are published by the U.S. Department of Commerce, Bureau of Economic Analysis.
