**BACKGROUND:** On December 20, 2006, the President signed into law amendments to section 112(c) of the African Growth and Opportunity Act (AGOA) (19 U.S.C. 3721(c)), included in Public Law 109-432. The amendments require the Commission to make certain determinations relating to the commercial availability of regional fabric or yarn for use in LDB SSA countries in apparel articles receiving U.S.

preferential treatment under AGOA, and also require the Commission to make determinations with regard to the extent that the quantity of fabric or yarn determined to be so available was so used. Section 112(c)(2)(C) of AGOA deemed denim fabric provided for in subheading 5209.42.00 of the Harmonized Tariff Schedule of the United States to be available in the amount of 30 million square meter equivalents for such purposes during the period October 1, 2006 - September 30, 2007 (fiscal year 2007). Section 112(c)(2)(B)(iii) of AGOA now requires the Commission to determine the extent to which the denim fabric deemed to be available during fiscal year 2007 was used in the production of apparel articles receiving preferential treatment under AGOA that were entered during fiscal year 2007. The Commission expects to transmit its determination and report to the President and the U.S. Trade Representative on or before July 1, 2008.

The Commission has also re-designated the recently completed investigation No. AGOA-07-001, *Commercial Availability of Fabric & Yarns in AGOA Countries: Certain Denim*, as investigation No. AGOA-001, Commission Publication 3950, September 2007. This change was made principally for the purpose of facilitating docketing and public searches through the Commission's EDIS system.

The Commission will institute a separate investigation in the near future for the purpose of gathering information and making determinations concerning whether such denim fabric will be available in commercial quantities during fiscal year 2009 for use in LDB SSA countries in the production of apparel articles receiving preferential treatment under AGOA, and if so, the quantity that will be available. This investigation will be designated as investigation No. AGOA-003. The Commission made similar determinations with respect to availability during fiscal year 2008 in recently completed investigation No. AGOA-001.

**PUBLIC HEARING:** A public hearing in connection with this investigation will be held at the U.S. International Trade Commission Building, 500 E Street SW, Washington, DC, beginning at 9:30 a.m. on April 9, 2008. To facilitate attendance at the hearing by parties also interested in attending the hearing in investigation No. AGOA-003, the Commission will hold a consolidated hearing for both investigations. Requests to appear at the public hearing should be filed with the Secretary, no later than 5:15 p.m., March 18, 2008, in accordance with the requirements in the "Submissions" section below. All pre-hearing briefs and statements should be filed not later than 5:15 p.m., March 21, 2008; and all post-hearing briefs and statements should be filed not later than 5:15 p.m., April 23, 2008. In the event that, as of the close of business on March 18, 2008, no witnesses are scheduled to appear at the hearing, the hearing will be canceled. Any person interested in attending the hearing as an observer or nonparticipant may call the Secretary to the Commission (202-205-2000) after March 18, 2008, for information concerning whether the hearing will be held.

The Commission may include some or all of the confidential business information submitted in the course of this investigation in the report it sends to the President and the U.S. Trade Representative. After transmitting its report, the Commission intends to publish a public version of its report, with any confidential business information deleted. Any confidential business information received by the Commission in this investigation and used in preparing this report will not be published in the public version of the report in a manner that would reveal the operations of the firm supplying the information.

By order of the Commission.
