NOTICE OF INVESTIGATION

AGENCY: U.S. International Trade Commission

ACTION: Institution of investigation pursuant to 19 U.S.C. § 1337

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on October 6, 2006, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, on behalf of Norgren, Inc. of Littleton, Colorado. An amended complaint was filed on October 25, 2006 and a supplement thereto was filed on November 1, 2006. The complaint, as amended and supplemented, alleges violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain connecting devices, known as "quick clamps," for compressed air conditioning units, which include filters, regulators, and lubricators, known collectively as "FRL's," which together are used in larger pneumatic systems, by reason of infringement of certain claims of U.S. Patent No. 5,372,392. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337.

The complainant requests that the Commission institute an investigation and, after the investigation, issue a permanent exclusion order and a permanent cease and desist order.
