**NOTICE OF COMMISSION DECISION NOT TO REVIEW AN INITIAL DETERMINATION
GRANTING A JOINT MOTION FOR PARTIAL TERMINATION
BASED ON A SETTLEMENT AGREEMENT**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determination ("ID") (Order No. 10) granting a joint motion to terminate, in part, the above-captioned investigation as to two patents at issue.

Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: On February 21, 2008, the Commission instituted this investigation, based on a complaint filed by Whirlpool Patents Company of St. Joseph, Michigan; Whirlpool Manufacturing Corporation of St. Joseph, Michigan; Whirlpool Corporation of Benton Harbor, Michigan (collectively, "Whirlpool"); and Maytag Corporation of Benton Harbor, Michigan ("Maytag"). The complaint, as supplemented, alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain refrigerators and components thereof that infringe certain claims of U.S. Patent Nos. 6,082,130; 6,810,680 ("the '680 patent"); 6,915,644 ("the '644 patent"); 6,971,730; and 7,240,980. Whirlpool and Maytag named LG Electronics, Inc.; LG Electronics, USA, Inc.; and LG Electronics Monterrey Mexico, S.A., De, CV (collectively, "LG") as respondents. The complaint, as supplemented, further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337 and requested that the Commission issue an exclusion order and cease and desist orders.

On September 11, 2008, Whirlpool, Maytag, and LG filed a joint motion seeking termination of this investigation with respect to the '680 patent and the '644 patent on the basis of a settlement agreement. On September 25, 2008, the ALJ issued an ID, Order No. 10, terminating the investigations as to the '680 and '644 patents. The ALJ found no indication that termination of the investigations on the basis of the settlement agreement would adversely affect the public interest, and that the procedural requirements for terminating the investigations had been met. No petitions for review were filed.

The Commission has determined not to review the subject ID. The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.
