The complaint was amended on March 2, 2017. The complaint, as amended, alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain graphics systems, components thereof, and consumer products containing the same by reason of infringement of certain claims of U.S. Patent No. 7,633,506 (“the ’506 patent”); U.S. Patent No. 7,796,133 (“the ’133 patent”); U.S. Patent No. 8,760,454 (“the ’454 patent”); and U.S. Patent No. 9,582,846 (“the ’846 patent”). The amended complaint further alleges that an industry in the United States exists or is in the process of being established as required by subsection (a)(2) of section 337.

The complainants request that the Commission institute an investigation and, after the investigation, issue a limited exclusion order and cease and desist orders.
