ON SETTLEMENT**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determination ("ID") (Order No. 5) terminating certain respondents based on settlement.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on May 4, 2017 based on a complaint, filed on behalf of Varidesk LLC of Coppell, Texas ("complainant"). 82 FR 20919-20 (May 4, 2017). The complaint as supplemented alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain height-adjustable desk platforms and components thereof by reason of infringement of U.S. Patent No. 9,113,703; U.S. Patent No. 9,277,809; and U.S. Patent No. 9,554,644. The complaint further alleges that an industry in the United States exists as required by section 337. The Commission's notice of investigation named, *inter alia*, Lumi Legend Corporation of Ningbo, China; Innovative Office

Products LLC of Easton, Pennsylvania; Ergotech Group LLC of Easton, Pennsylvania; and Transform Partners LLC (dba Mount-It!) of San Diego, California (collectively “the Lumi Legend respondents”).

On June 15, 2017, complainant filed a motion to terminate the Lumi Legend respondents based on settlement. The motion asserted that there are no other agreements between complainant and the Lumi Legend respondents.

On June 21, 2017, the ALJ issued an ID (Order No. 5) terminating the Lumi Legend respondents based on settlement. The ALJ found that all of the requirements of Commission rule 210.21, 19 C.F.R. §210.21, had been met and that there were no public interest concerns that would weigh against termination. No petitions for review were filed.

The Commission has determined not to review the subject ID and terminates the Lumi Legend respondents from the investigation.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.
