**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on November 28, 2017, based on a complaint filed on behalf of National Products Inc. of Seattle, Washington. 82 FR 56266-67. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, by reason of infringement of certain claims of the '161, 'D657, '636, 'D278, 'D204, and '148 patents; and U.S. Trademark Registration No. 2,254,087. The Commission's notice of investigation named several respondents, including ZJMOTO, Smilin, New Dream, MWUPP, and Prolech. The Office of Unfair Import Investigations ("OUII") is also a party to the investigation. All respondents in the investigation have been found in default.

On June 20, 2018, complainant filed a motion to terminate the investigation with respect to the Withdrawn Patents, Claims, and Allegations of Infringement. OUII supported the motion.

The ALJ issued the subject ID on June 22, 2018, granting the motion for partial termination as to the Withdrawn Patents, Claims, and Allegations of Infringement. He found that the motion for termination satisfied Commission rule 210.21(a)(1) and that no extraordinary circumstances exist that would prevent the requested partial termination. No petitions for review were filed.

The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in Part 210 of the Commission's Rules of Practice and Procedure, 19 CFR part 210.

By order of the Commission.
