On August 28, 2018, the presiding administrative law judge (“ALJ”) issued Order No. 7, the subject initial determination (“ID”), which granted Varidesk’s and respondent Venditio’s joint motion to terminate the investigation as to Venditio based on a settlement. The ALJ found that the joint motion complied with the Commission’s rules for termination and that consideration of the public interest factors pursuant to 19 CFR 210.50(b)(2) did not prevent termination as to Venditio. No party filed a petition seeking review of the subject ID. The Commission has determined not to review the ID.
