SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 10, 2018, based on a complaint filed on behalf of SIPCO LLC of Ashburn, Virginia (“SIPCO”). 83 Fed. Reg. 45681 (Sept. 10, 2018). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain wireless mesh networking products and related components thereof by reason of infringement of certain claims of U.S. Patent Nos. 6,914,893; 7,103,511; 8,964,708; and 9,439,126. The notice of investigation named the following respondents: Emerson Electric Co. of St. Louis, Missouri; Emerson Process Management LLLP of Bloomington, Minnesota; Emerson Process Management Asia Pacific Private Limited of Singapore, Singapore; Emerson

Process Management Manufacturing (M) Sdn. Bhd. of Negeri Sembilan, Malaysia; Fisher-Rosemount Systems, Inc. of Round Rock, Texas; Rosemount Inc. of Shakopee, Minnesota; Analog Devices, Inc. of Norwood, Massachusetts; Linear Technology LLC of Milpitas, California; Dust Networks, Inc. of Union City, California (“Dust Networks”); Tadiran Batteries Inc. of Lake Success, New York; and Tadiran Batteries Ltd. of Kiryat Ekron, Israel. The Office of Unfair Import Investigations was not named as a party in the investigation.

On October 26, 2018, SIPCO filed a motion to terminate Dust Networks from the investigation. No party opposed the motion.

On October 31, 2018, the presiding administrative law judge (“ALJ”) issued the subject ID (Order No. 6), granting the motion. The ALJ found that the motion complies with Rule 210.21(a)(1) of the Commission’s Rules of Practice and Procedure and that there are no extraordinary circumstances preventing the requested termination. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.
