**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 23) of the presiding administrative law judge (“ALJ”) granting an unopposed joint motion for partial termination of the investigation as to respondents BOE Technology Group Co., Ltd. and Beijing BOE Display Technology Co., Ltd. of Beijing, China, and respondent BOE Technology America, Inc. of Santa Clara, California (collectively “BOE”) based on settlement.

**SUPPLEMENTARY INFORMATION:** On February 2, 2021, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Solas OLED Ltd. of Dublin, Ireland (“Solas” or “Complainant”). *See* 86 FR 7878-79 (Feb. 2, 2021). The complaint, as amended and supplemented, alleges a violation of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain active matrix OLED display devices and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 7,573,068 and 7,868,880. *See id.* In addition to the BOE

respondents, the notice of investigation names the following respondents: Samsung Electronics Co., Ltd. of Suwon-si, South Korea; Samsung Electronics America, Inc. of Ridgefield Park, New Jersey; and Samsung Display Co., Ltd. of Yongin-si, South Korea. *See id.* The Office of Unfair Import Investigations (“OUII”) is also a party to the investigation. *See id.*

On July 26, 2021, Complainant and the BOE respondents filed an unopposed joint motion for partial termination of the investigation as to the BOE respondents based on a release agreement. On August 5, 2021, OUII filed a response in support of the joint motion, provided that the moving parties file any supplemental agreement as necessary. On August 6, 2021, Complainant filed a copy of a supplemental agreement with a non-party as an exhibit to the joint motion. On August 18, 2021, Complainant also filed a public copy of the supplemental agreement, but that copy was redacted in its entirety.

On August 20, 2021, the ALJ issued an ID (Order No. 17) granting the joint motion. The ID noted that the supplemental agreement was “redacted in its entirety without written justification” but the ID excused the lack of justification for redacting the supplemental agreement. *See* Order No. 17 at 2-3 n.1. On September 16, 2021, the Commission determined to review the ID (Order No. 17) and, upon review, to “remand the ID to the ALJ to require Complainant to provide a properly-redacted copy of the supplemental agreement between Complainant and a non-party and/or adequate justification for Complainant’s redactions.” *See* Comm'n Notice (Sept. 16, 2021).

On September 17, 2021, the ALJ issued Order No. 18 directing Complainant to file a revised public version of the supplemental agreement. On September 24, 2021, Complainant filed a second public version of the supplemental agreement. On September 29, 2021, the ALJ issued Order No. 22 directing Complainant to file a further revised public version of the supplemental agreement. On September 30, 2021, Complainant filed a third public version of the supplemental agreement.

On October 4, 2021, the ALJ issued the subject ID (Order No. 23) partially terminating the investigation as to the BOE respondents. The ID finds that the joint motion now complies with the Commission Rules. *See* ID at 3. Specifically, in accordance with Commission Rule 210.21(b)(1), 19 CFR 210.21(b)(1), the ID finds that the joint motion includes public and confidential versions of the release agreement and the supplemental agreement. *See id.* In addition, as noted in the ID, the motion includes a statement that “there are no other agreements, written or oral, express or implied, between Solas and BOE concerning the subject matter of the Investigation.” *See id.* at 3-4. Furthermore, in accordance with Commission Rule 210.50(b)(2), 19 CFR 210.50(b)(2), the ID finds “no evidence indicating that terminating this investigation based on the various settlement agreements would be contrary to the public interest.” *Id.* at 4.

No petition for review of the subject ID was filed. The Commission has determined not to review the subject ID. The BOE respondents are terminated from the investigation.

The Commission’s vote for this determination took place on October 28, 2021.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).
