On January 11, 2023, the ALJ issued the subject ID (Order No. 10) extending the target date for completion of this investigation until April 15, 2024, citing “a discovery issue that would have an unavoidable and significant impact” on the current procedural schedule. *See* ID at 1. Under this schedule, the final ID on violation is due by December 15, 2023. *See id.*

No petition for review of the subject ID was filed.
