**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge’s (“ALJ”) initial determination (“ID”) (Order No. 12) terminating the investigation in part based of withdrawal of the complaint as to Marvell Technology Group, Ltd.

**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on November 29, 2022, based on a complaint filed by Bell Semiconductor, LLC of Bethlehem, Pennsylvania. 87 FR 73330-31 (Nov. 29, 2023). The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain semiconductor devices having layered dummy fill, electronic devices, and components thereof by reason of infringement of certain claims of U.S. Patent No. 7,396,760. The complaint, as amended, further alleges that a domestic industry exists. The notice of investigation named fifteen respondents including Marvell Technology Group, Ltd.

and Marvell Semiconductor, Inc. *Id.* The Office of Unfair Import Investigations (“OUII”) was also named as a party to the investigation. *Id.*

On December 19, 2022, Marvell Technology Group, Ltd., and Marvell Semiconductor, Inc., filed a stipulation regarding the articles that are the subject of this investigation. This stipulation represented that the Marvell Technology Group, Ltd. does not design, sell, offer for sale, manufacture, or import into the United States any products, including the accused products and components thereof. On December 21, 2022, Complainant moved to withdraw the complaint and terminate the investigation as to Marvell Technology Group, Ltd. The motion states that the two Marvell respondents and OUII do not oppose the motion.

On January 11, 2023, the presiding ALJ issued Order No. 12 granting the motion to terminate Marvell Technology Group, Ltd. from the investigation. The ID found that the motion to withdraw the complaint complied with Commission Rules. The ID also stated that there are no extraordinary circumstances that warrant denying the motion. No one petitioned for review of the ID.

The Commission has determined not to review the subject ID.

The Commission vote for this determination took place on February 8, 2023.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.

Katherine M. Hiner  
Acting Secretary to the Commission
