ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 14) of the presiding Administrative Law Judge (“ALJ”) partially terminating the investigation as to certain patent claims based on withdrawal of the complaint as to those claims.

SUPPLEMENTARY INFORMATION: On November 29, 2022, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Sartorius Bioanalytical Instruments, Inc. of Bohemia, New York (“Sartorius” or “Complainant”). *See* 87 FR 73329-30 (Nov. 29, 2022). The complaint, as supplemented, alleges a violation of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain bio-layer interferometers and components thereof by reason of the infringement of certain claims of U.S. Patent Nos. 7,394,547 (“the ’547 patent”); 7,445,887 (“the ’887 patent”); 7,728,982 (“the ’982 patent”); and 8,305,585. *See id.* The notice of investigation names Gator Bio, Inc. of Palo Alto, California as a respondent in the investigation. *See id.* The Office of Unfair Import Investigations (“OUII”) is also a party to the investigation. *See id.*

On May 4, 2023, Complainant filed an unopposed motion for partial termination of the investigation as to claims 20 and 29-31 of the '982 patent, claims 1-5, 7, 9-14, and 17 of the '887 patent, and claims 5, 6, and 15 of the '547 patent, based on the withdrawal of the allegations in the complaint as to those claims. On May 12, 2023, OUII filed a response in support of the motion. No other response was filed.

On May 15, 2023, the ALJ issued the subject ID (Order No. 14) granting the motion. The ID finds that the motion complies with the Commission's rules. *See* ID at 2. In accordance with Commission Rule 210.21(a)(1), 19 CFR 210.21(a)(1), the motion represents that "there are no agreements, written or oral, express or implied, between the parties concerning the subject matter of this Investigation or Sartorius's Motion for Partial Termination of this Investigation as to Certain Claims." *See id.* In addition, the ID finds "no extraordinary circumstances that warrant denying Sartorius's motion." *See id.*

No petition for review of the subject ID was filed.

The Commission has determined not to review the subject ID. Claims 20 and 29-31 of the '982 patent, claims 1-5, 7, 9-14, and 17 of the '887 patent, and claims 5, 6, and 15 of the '547 patent are terminated from the investigation.

The Commission vote for this determination took place on June 8, 2023.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Lisa R. Barton
Secretary to the Commission
