On January 27, 2023, AGIS filed a motion to amend the complaint and notice of investigation to substitute Panasonic Holdings Corporation for the presently named respondent Panasonic Corporation. The motion states that (i) OUII and respondents Panasonic Corporation, Panasonic Corporation of North America, and Kyocera Corporation do not oppose the motion and (ii) the remaining respondents take no position on the motion. Mot. at 1. No responses to the motion were filed.

On February 1, 2023, the ALJ issued the subject ID granting the motion. The ID finds that, in accordance with Commission Rule 210.14(b) (19 CFR 210.14(b)), “good cause exists for amending the complaint to substitute Panasonic Holdings Corporation in place of named Respondent Panasonic Corporation” because “amending the Complaint and Notice of Investigation to reflect the proper name of the Respondent will aid in the development of the Investigation and is necessary to avoid prejudicing the public interest and rights of the parties to the Investigation.” ID at 2. No petitions for review of the subject ID were filed.

The Commission has determined not to review the subject ID. The complaint and notice of investigation are amended to substitute Panasonic Holdings Corporation in place of the named respondent Panasonic Corporation.

The Commission vote for this determination took place on February 17, 2023.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).
