SUPPLEMENTARY INFORMATION: On January 24, 2023, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Realtek Semiconductor Corporation of Hsinchu, Taiwan (“Realtek”). *See* 88 FR 4205-06 (Jan. 24, 2023). The complaint, as supplemented, alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain integrated circuits, components thereof, and products containing the same by reason of the infringement of certain claims of the ’582 patent, the ’218 patent, and U.S. Patent No. 7,936,245. *Id.* The complaint also alleges that a domestic industry exists. *Id.* The notice of investigation names Advanced Micro Devices, Inc. of Santa Clara, CA (“AMD”) as respondent. *Id.* The Office of Unfair Import Investigations is not participating in this investigation. *Id.*

On October 17, 2023, Realtek filed an unopposed motion for partial termination of the investigation as to claim 9 of the '582 patent and claim 14 of the '218 patent by reason of withdrawal under 19 CFR 210.21(a) to simplify and streamline the investigation.

On October 20, 2023, the ALJ issued the subject ID (Order No. 40) granting the unopposed motion pursuant to Commission Rule 210.21(a) (19 CFR 210.21(a)). The ID finds that "there are no extraordinary circumstances exist that would prevent the requested partial termination of this Investigation." *See* ID at 2.

No party petitioned for review of the subject ID.

The Commission has determined not to review the subject ID (Order No. 40). The investigation is hereby terminated as to claim 9 of the '582 patent and claim 14 of the '218 patent.

The Commission vote for this determination took place on November 14, 2023.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).
