AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determination ("ID") (Order No. 33) extending the target date for completion of the investigation until December 30, 2024.

SUPPLEMENTARY INFORMATION: On June 9, 2023, the Commission instituted this investigation based on a complaint filed on behalf of Shoals Technologies Group, LLC ("Shoals Technologies") of Portland, Tennessee. 88 FR 37905-06 (June 9, 2023). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation into the United States, the sale for importation, or sale within the United States after importation of certain photovoltaic connectors and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 10,553,739 ("the '739 patent") and 10,992,254 ("the '254 patent"). The Commission's notice of investigation ("NOI") named the following eight respondents: 1) Hikam America, Inc. of Chula Vista, California; 2) Hikam Electrónica de México, S.A. de C.V. of Mexicali, Mexico; 3) Hikam Tecnologia de Sinaloa of Guasave, Mexico; 4) Hewtech Philippines Corp. of Laguna, Philippines; 5) Hewtech Philippines Electronics Corp. of Pampanga, Philippines; 6) Hewtech (Shenzhen) Electronics Co., Ltd. of Shenzhen, China; 7) Voltage, LLC ("Voltage") of Chapel Hill, North Carolina; and 8) Ningbo Voltage Smart Production Co. ("Ningbo Voltage") of Ningbo, China (collectively

“Respondents”). *Id.* The Office of Unfair Import Investigations was also named as a party in this investigation. *Id.* at 37906.

On August 15, 2023, the Commission determined not to review an ID (Order No. 5) granting Shoals Technologies’ motion to amend the complaint and NOI to add allegations of infringement against respondents Voltage and Ningbo Voltage related to certain claims of U.S. Patent No. 11,689,153 (“the ’153 patent”). *See* Order No. 5 (Jul. 18, 2023), *unreviewed by* Comm’n Notice (Aug. 16, 2023); *see also* 88 FR 56882-83 (Aug. 21, 2023).

On March 11, 2024, the Commission terminated a number of claims from this investigation based on Shoals Technologies’ withdrawal of the complaint as to those claims. *See* Order No. 15 (Feb. 9, 2024), *unreviewed by* Comm’n Notice (March 11, 2024).

On March 25, 2024, the Commission terminated the ’254 patent from this investigation based on Shoals Technologies’ withdrawal of the complaint as to that patent. *See* Order No. 19 (Feb. 28, 2024), *unreviewed by* Comm’n Notice (March 26, 2024).

On April 19, the Commission found no violation as to the ’739 Patent because Shoals Technologies had not satisfied the technical prong of the domestic industry requirement for that patent. Order No. 20 (March 6, 2024), *unreviewed by* Comm’n Notice (Apr. 19, 2024).

On April 26, 2024, the Commission partially terminated this investigation with respect to asserted claim 8 of the ’153 patent based on Shoals Technologies’ withdrawal of the complaint as to that claim. *See* Order No. 29 (April 2, 2024), *unreviewed by* Comm’n Notice (Apr. 26, 2024).

On August 13, 2024, the presiding ALJ issued the subject ID (Order No. 33), pursuant to Commission Rule 210.51(a)(1), 19 CFR 210.51(a)(1), extending the target date for completion of the investigation until December 30, 2024. The ID explains that there is good cause for an extension because the drafting of the final initial determination has been affected by “obligations in other investigations.” ID at 1.

No party filed a petition for review of the subject ID.

The Commission has determined not to review the subject ID. The target date for completion of the investigation is extended to December 30, 2024, and the deadline for issuing the final ID is August 30, 2024.

The Commission vote for this determination took place on September 3, 2024.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.
