**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 16) of the presiding Administrative Law Judge (“ALJ”) granting an unopposed motion to partially terminate the investigation as to respondents Delta Electronics (USA) Inc., Quanta Cloud Technology Inc., and Quanta Cloud Technology USA LLC (collectively, the “Terminated Respondents”) based on the withdrawal of the complaint as to those respondents.

**SUPPLEMENTARY INFORMATION:** On August 17, 2023, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Vicor Corporation (“Complainant”) of Andover, Massachusetts. *See* 88 FR 56050-51 (Aug. 17, 2023). The complaint, as supplemented, alleges a violation of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain power converter modules and computing systems containing the same by reason of the infringement of certain claims of U.S. Patent Nos. 9,166,481; 9,516,761; and 10,199,950. *See id.* In addition to the Terminated Respondents, the notice of investigation names the following respondents: Delta Electronics, Inc. of Taipei, Taiwan; Delta Electronics (Americas) Ltd. of Fremont, California; Cyntec Co., Ltd. of Hsinchu, Taiwan; Quanta Computer Inc. of Taoyuan City, Taiwan; Quanta

Computer USA Inc. of Fremont, California; Hon Hai Precision Industry Co. Ltd. (d/b/a, Foxconn Technology Group) of Taipei City, Taiwan; Foxconn Industrial Internet Co. Ltd. of Shenzhen, China; FII USA Inc. (a/k/a Foxconn Industrial, Internet USA Inc.) of Milwaukee, Wisconsin; Ingrasys Technology Inc. of Taoyuan City, Taiwan; and Ingrasys Technology USA Inc. of Fremont, California. *See id.* The Office of Unfair Import Investigations is also a party to the investigation. *See id.*

On December 21, 2023, Complainant filed an unopposed motion to partially terminate the investigation as to the Terminated Respondents based on the withdrawal of the complaint as to those respondents. No response to the motion was received.

On December 22, 2023, the ALJ issued the subject ID (Order No. 16) granting the motion. The ID notes that “the Terminated Respondents are not involved with the importation, sale for importation, or sale after importation of the Accused Products in the United States.” *See* ID at 1. Thus, the ID finds good cause for termination of the investigation pursuant to Commission Rule 210.21(a)(1) (19 CFR 210.21(a)(1)). *See id.* In addition, the ID notes that “[t]he motion states that there no agreements, written or oral, express or implied between the parties concerning the subject matter of the investigation.” *See id.* at 1-2. Furthermore, the ID finds no “extraordinary circumstances” that would preclude granting the motion. *See id.* at 2.

No petition for review of the subject ID was filed.

The Commission has determined not to review the subject ID. The investigation is partially terminated with respect to the Terminated Respondents.

The Commission vote for this determination took place on January 25, 2024.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Lisa R. Barton  
Secretary to the Commission
