Washington, D.C.

In the Matter of  
CERTAIN FOAM FOOTWEAR  
Investigation No. 337-TA-567  
(Advisory Opinion Proceeding 3)

INSTITUTION OF AN ADVISORY OPINION PROCEEDING

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to institute an advisory opinion proceeding in the above-captioned investigation.

FOR FURTHER INFORMATION CONTACT: Clint Gerdine, Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone (202) 708-2310. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission’s electronic docket (EDIS) at https://edis.usitc.gov. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its Internet server at https://www.usitc.gov. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal, telephone (202) 205-1810.

On July 25, 2008, the Commission issued a final determination finding no violation of section 337 based on non-infringement and failure to satisfy the technical prong of the domestic industry requirement with respect to the ’789 patent and based on invalidity of the ’858 patent as obvious under 35 U.S.C. 103. 73 FR 45073-74 (Aug. 1, 2008). On July 15, 2011, after an appeal to the U.S. Court of Appeals for the Federal Circuit and subsequent remand vacating the Commission’s previous finding of no violation, the Commission found a violation of section 337.
based on infringement of the asserted claims of the patents and issued, \textit{inter alia}, a general exclusion order (“GEO”).  76 FR 43723-24 (July 21, 2011).  On March 28, 2020, the ’789 patent expired, so the GEO is now only directed to articles that infringe one or more of claims 1 and 2 of the ’858 patent.

On November 17, 2021, non-respondent, Triple T Trading Ltd. (\textquotedblquote;Triple T\textquotedblquot;) of Marysville, Washington, petitioned for institution of an expedited advisory opinion proceeding to determine whether its fleece-lined shoes and shoes with plastic washers are covered by the GEO.  On November 29, 2021, Crocs opposed Triple T’s petition for an expedited advisory opinion proceeding.  On December 9, 2021, Triple T filed a motion for leave to respond to Crocs’ opposition.  The Commission has determined to grant the motion.

The Commission has determined that Triple T’s petition complies with the requirements for institution of an advisory opinion proceeding under Commission Rule 210.79 to determine whether its fleece-lined shoes and shoes with plastic washers fall within the scope of the GEO.  Accordingly, the Commission has determined to institute an advisory opinion proceeding and refer it to the Office of the General Counsel.  The parties will furnish the Office of the General Counsel with information as requested in the accompanying order, and the Commission will issue an advisory opinion within ninety (90) days of the date of publication of this notice in the \textit{Federal Register}.  The following entities are named as parties to the proceeding:  (1) Triple T and (2) Crocs.

The Commission vote for this determination took place on December 17, 2021.

By order of the Commission.

Lisa R. Barton
Secretary to the Commission
