SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on July 16, 2009 based on a complaint filed on May 28, 2009, by Cognex Corporation of Natick, Massachusetts and Cognex Technology & Investment Corporation of Mountain View, California (collectively “complainants”). 74 *Fed. Reg.* 34589-90 (July 16, 2009). The complaint, as amended, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain machine vision software, machine vision systems, or products containing same by reason of infringement of certain claims of U.S. Patent Nos. 7,016,539 and 7,065,262. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The complaint names numerous respondents including Rasco of Germany.

On June 18, 2010, the Commission issued notice of its determination not to review an initial determination (Order No. 66) from the presiding administrative law judge terminating the investigation as to Rasco on the basis of a consent order and settlement agreement, and issued a consent order. The consent order of June 18, 2010, was issued in error and has been rescinded. The Commission has issued a revised consent order with respect to the termination of the investigation as to Rasco.

The authority for the Commission's action is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, and in section 210.21 of the Commission's Rules of Practice and Procedure, 19 C.F.R. § 210.21.

By order of the Commission.
