AS TO RESPONDENT APPLE INC.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has
determined not to review an initial determination (“ID”) (Order No. 29) terminating the
investigation as to respondent Apple Inc.

be obtained by contacting the Commission’s TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on
April 10, 2012, based on a complaint filed by Graphics Properties Holdings, Inc. of New
violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the
importation into the United States, the sale for importation, and the sale within the United States
after importation of certain consumer electronics devices and display devices and products
containing same, by reason of infringement of three United States patents. The notice of
investigation named numerous respondents, including Apple Inc. (“Apple”).

On October 16, 2012, GPH and Apple filed a joint motion to terminate Apple from the
investigation on the basis of a settlement, license, and assignment agreement. No other party
opposed the motion. On December 11, 2012, the ALJ issued the subject ID (Order No. 29)
granting the motion. The ALJ stated that there is no indication that termination of the
investigation based on the settlement agreement would have an adverse impact on the public interest. No petitions for review of the ID were filed.

The Commission has determined not to review the ID.

By order of the Commission.

Lisa R. Barton
Acting Secretary to the Commission
