SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on April 11, 2012, based on a complaint filed by LSI Corporation of Milpitas, California and Agere Systems Inc. of Allentown, Pennsylvania (collectively, "LSI"). 77 FR 22803 (Apr. 11, 2012). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), by reason of infringement of various claims of United States Patent Nos. 5,870,087; 6,452,958; 6,707,867; and 6,982,663. The Commission's notice of investigation named several respondents, including Funai Electric Co., Ltd. of Osaka, Japan; Funai Corporation, Inc. of Rutherford, New Jersey; P&F USA, Inc. of Alpharetta, Georgia; and Funai Service Corporation of Groveport, Ohio (collectively, "Funai"); and Realtek Semiconductor Corporation of Hsinchu,

Taiwan (“Realtek”). The Office of Unfair Import Investigations is not participating in this investigation.

On July 18, 2013, the presiding administrative law judge (“ALJ”) issued the final ID, which found a violation of section 337 as to certain audiovisual components and products containing the same with respect to certain claims of the ’087 patent but not with respect to the other asserted patents. On July 31, 2013, the ALJ made recommendations on remedy and bonding should the Commission find a violation of section 337.

On August 5, 2013, LSI and Funai filed petitions for review of the final ID. That same day, Realtek filed a contingent petition for review of the final ID. The parties filed timely responses on August 13, 2013. Non-party Koninklijke Philips N.V. filed public interest comments on August 30, 2013. On September 3, 2013, the parties filed their respective public interest comments pursuant to Commission Rule 210.50(a)(4).

On August 16, 2013, the Commission determined to extend the date by which the Commission determines whether to review the final ID to October 1, 2013, and the target date for completion of the investigation to December 9, 2013. Due to the federal government shutdown and the Commission Notice extending all deadlines by the length of the shutdown, the date by which the Commission determines whether to review the final ID was extended to October 17, 2013.

On October 17, 2013, the Commission determined to review the ALJ’s final ID in its entirety. In connection with its review of the final ID, the Commission invited the parties to the investigation and the public to file written submissions concerning certain issues enumerated in the Commission’s notice. On November 20, 2013, the Commission determined to extend the target date for completion of the investigation to February 3, 2014. On January 17, 2014, LSI and Funai filed a motion to terminate the investigation as to two of the four patents based on settlement.

The Commission has determined to extend the target date for completing the investigation until March 3, 2014.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.
