

UNITED STATES INTERNATIONAL TRADE COMMISSION
Washington, D.C.

In the Matter of

**CERTAIN INTEGRATED CIRCUIT
DEVICES AND PRODUCTS
CONTAINING THE SAME**

Inv. No. 337-TA-873

**NOTICE OF COMMISSION DETERMINATION NOT TO REVIEW AN INITIAL
DETERMINATION GRANTING AN UNOPPOSED MOTION TO TERMINATE THE
INVESTIGATION AS TO MOTOROLA MOBILITY, LLC BASED UPON
SETTLEMENT**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determination ("ID") (Order No. 68) granting an unopposed motion to terminate the investigation as to respondent Motorola Mobility LLC, of Libertyville, Illinois ("Motorola") based upon settlement.

FOR FURTHER INFORMATION: Panyin A Hughes, Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-3042. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on March 15, 2013, based on a complaint filed by Tela Innovations, Inc., of Los Gatos, California ("Tela"). 78 *Fed. Reg.* 16533 (March 15, 2013). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain

integrated circuit devices and products containing the same by reason of infringement of seven U.S. patents. The notice of investigation named several respondents, including Motorola. The Office of Unfair Import Investigations is a party to the investigation.

On June 9, 2014, Tela and Motorola filed a joint unopposed motion to terminate the investigation as to Motorola based upon settlement. On June 19, 2014, the Commission investigative attorney filed a response in support of the motion but noted that public version of the settlement agreement contained excessive redactions. The ALJ ordered the parties to provide revised redactions of the public version by July, 11, 2014, and the parties complied. No other responses to the motion were filed.

On July 21, 2014, the ALJ issued the subject ID, granting the motion. The ALJ found that confidential and public copies of the settlement agreement were provided in compliance with the requirements of Commission Rule 210.21(b)(1) (19 C.F.R. § 210.21(b)(1)), and that terminating Motorola from the investigation would not be contrary to the public interest. None of the parties petitioned for review of the ID.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.

Lisa R. Barton
Secretary to the Commission

Issued: August 5, 2014
